

ASIAN AMERICAN & PACIFIC ISLANDER COMMUNITY GRANT

FY2014

OAPIA distributed its 8th Asian American & Pacific Islander (AAPI) Community Grant to organizations that provided direct services to DC AAPI residents and merchants. The funded programs were culturally and linguistically competent direct services that sought to increase low-income DC AAPI's capacity for independence into the general community. More information about OAPIA's grant program can be found at www.apia.dc.gov or by contacting Neel Saxena, Grant Manager at neel.saxena@dc.gov.
