GENERAL INSTRUCTIONS FOR THE D-65 PARTNERSHIP RETURN

Who must file a DC Form D-65?

Except for partnerships required to file an unincorporated business franchise tax return, DC Form D-30, all partnerships engaged in any trade or business in DC or which received income from sources in DC, must file a Form D-65.

The term “partnership” includes a limited partner, group, syndicate, pool and joint venture through or by means of which any business, financial operation, or venture is carried on. The following are excluded by law: 1) a corporation; 2) a trust or estate; or 3) an unincorporated business. The term “partner” includes a member of a syndicate, pool or joint venture.

If the return is filed on behalf of a syndicate, pool, joint venture or similar group, attach to the D-65 a copy of the agreement and all amendments to the agreement.

A limited liability company is classified as a partnership. The only exception is if IRS has classified it differently. Use the same classification on your DC return as that used on your federal return.

DC law does not allow a partnership to report or file as a corporation, nor for a corporation to report or file as a partnership.

Who must file DC Form D-30 instead of Form D-65?

Every partnership which, during the taxable year, engaged in an “unincorporated business” as defined in paragraph (1) below, and which met the gross income threshold as stated in paragraph (2) below, must file a Form D-30, rather than Form D-65. If Form D-65 is filed instead of Form D-30, attach an explanation to the D-65.

(1)(a) A partnership with gross income of more than \$12,000 which leases real or personal property in DC, regardless of whether services are performed, (including professional partnerships) must file a Form D-30 instead of Form D-65.

(b) “Unincorporated Business”. An unincorporated business is any trade or business, conducted or engaged in by any individual, whether resident or nonresident, statutory or common-law trust, estate, partnership, or limited or special partnership, society, association, executor, administrator, receiver, trustee, liquidator, conservator, committee, assignee, or by any other entity or fiduciary, other than a trade or business conducted or engaged in by any corporation. This includes any trade or business which, if conducted or engaged in by a corporation, would be taxable.

(c) Excluded is any trade or business which by law, custom, or ethics, cannot be incorporated or any trade or business deriving more than 80% of its gross income from personal services rendered by owners or members of the partnership or other entity in conducting or carrying on any trade or business in which capital is not a material income-producing factor.

(2) Gross income requirement for filing DC Form D-30. A return must be filed by an unincorporated business if its gross income from engaging in or carrying on any trade or business in DC plus any other gross income received from DC sources amounts to more than \$12,000 during the year, regardless of whether it had net income. For filing purposes, the words “gross income” mean gross revenue before deduction of cost of goods, expenses and other deductions allowable in the determination of net income.

NOTE: For District tax purposes, taxpayers are not permitted to claim the additional federal 30 or 50 percent bonus depreciation nor the additional Internal Revenue Code (IRC) Section 179 expenses. Taxpayers should keep a separate depreciation schedule for DC tax purposes.

When is your return due?

You must file your return by:

- Calendar year filer – April 15; or
- Fiscal year filer – the fifteenth day of the fourth month following the ending of the taxable year you entered at the top of the DC Form D-65.

If the due date falls on a Saturday, Sunday or legal holiday, the return is due the next business day.

If you are requesting an extension of time to file, submit DC Form FR-128, Extension of Time to File DC Franchise or Partnership Return, by the due date of your return. Do not use the federal extension of time to file form to request a DC extension. Ensure you have filled in the D-65 oval on the bottom left hand side of the Form FR-128.

How to file your return

File your DC Form D-65 with the Office of Tax and Revenue, 1101 4th Street, SW, FL4, Washington, DC 20024.

Print, sign and date the return. Make a copy for yourself. If submitting the return with attachments, you must submit using a CD.

Include the following on the CD:

- The signed D-65 return;
- Any attachments and/or schedules (federal Form 1065, and Schedule K-1). Include copies of all the schedules and statements accompanying the Form 1065. Also attach a schedule showing the pass-through distribution of income for all members of the partnership, and copies of the completed federal K-1 schedule.
- Write on the CD label, “D-65”, your FEIN, tax year being filed, and statements accompanying the Form D-65 on the CD.

Assembling your D-65 return

Do not staple or otherwise damage the Bar Code located in the upper right hand corner of this form or schedule(s) being attached.

Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by the DC OTR.

Special filing circumstances

Amended returns

You must use the Form D-65 of the year you are amending. Prior year forms can be obtained from www.taxpayerservicecenter.com. If the IRS adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days.

Mail the amended return and any attachments to the Office of Tax and Revenue, 1101 4th Street, SW, FL4, Washington, DC 20024.

Final return

If you are not required to continue filing a return for an entity, fill in the “final return” oval on the return. We will then cancel your filing requirement.

Items exempt from tax

All items of income received and claimed as exempt from tax must be explained in a copy of the Schedule K of the federal Form 1065. Attach the copy to your DC Form D-65. Some items of this type are:

- (1) Tax-Free Interest. Attach a statement reporting interest on:
- (a) obligations of a state, territory of the United States or any political subdivision thereof, or DC; and
 - (b) obligations of the United States, its agencies, or instrumentalities.

(2) Proceeds from life insurance policies. In general, the proceeds of life insurance policies paid to the partnership due to the death of a partner are exempt. However, if any part of the proceeds is held by the insurer under an agreement to pay interest, the interest is taxable.

Information at source

Every partnership which in the course of its trade or business, during calendar year 2014, pays (1) interest, rents, commissions, or other fixed or determinable income of \$600 or more, or (2) salaries and wages of \$600 or more, must submit copies of federal Forms 1095 and 1099 unless the payment is specifically exempted by District of Columbia Municipal Regulations (DCMR) Rule 9-111.

Getting started

Do not cross out the tax year on the 2014 return. If you are not filing a 2014 D-65 Partnership Return, do not use this booklet. Request a booklet for the specific year you are filing by calling our Forms Center at (202) 442-6546, or visit the Customer Service Administration at 1101 4th Street, SW, FL2, Washington, DC 20024. You may also visit our website at www.taxpayerservicecenter.com for prior year partnership returns.

Use the same method of accounting on your DC Form D-65 as that used on your federal tax return.

- Copies of your completed 2014 federal forms as applicable (1065, Schedule K-1, etc.)
- A pen with black ink
- A calculator

Not all items will apply. If an amount is zero, make no entry, leave the line blank.

The return must be filed for calendar year 2014, or other taxable year beginning in 2014, covering the same tax period reported on the return filed with the IRS. Fill in the tax period ending on page 1 as MMY.
