OCR has posted FAQs on the VAWA nondiscrimination provision at http://ojp.gov/about/ocr/pdfs/vawafaqs.pdf.

Who is subject to these laws?

- Any "PROGRAM OR ACTIVITY" that receives financial assistance from the DOJ.
- Program or Activity means all of the operations of an organization receiving federal financial assistance, such as the entire department or office within a state or local government.
- Examples:
 - If a state Department of Public Safety receives federal funding and subawards the funding to local community based organizations, all of the operations of the Department of Public Safety are covered, along with the operations of the local community based organizations.
 - If a rape crisis center receives federal funds and uses the funds to operate particular programs, all of the activities of the center are covered, and not just the federally-funded programs.
 - If a project of a county sheriff's department receives federal funds, the entire sheriff's department is covered, but not the other departments in the county.

The statutes that the OCR enforces prohibit discrimination in:

 Employment Practices and/or

Delivery of Services

Examples of discrimination in the delivery of services

- A funded domestic violence clinic has a blanket policy of only providing services to female victims of domestic violence, and not male victims.
- Male employees at a funded detention center sexually harass female occupants.
- A culturally-based sexual assault services program that is primarily designed to provide services to Hispanic individuals turns away a non-Hispanic individual seeking services.

Disability Discrimination

Under Section 504 and Title II of the ADA, handicapped (disabled) person means any person who

- has a physical or mental impairment which substantially limits one or more major life activities
- has a record of such an impairment, or
- is regarded as having such an impairment

Disability Discrimination Analysis

- DOJ funding recipients must provide reasonable accommodations to the known physical or mental limitations of an otherwise qualified individual with a disability unless a recipient can demonstrate it would be an undue hardship or would fundamentally alter the service or activity.
- Every case requires individualized analysis individuals with disabilities are not a homogenous group even those with the same disability.

Section 504 of the Rehabilitation Act of 1973

A recipient with <u>50 or more employees</u> and receiving federal financial assistance from the Justice Department of <u>\$25,000 or more</u> must:

- designate a Section 504 compliance coordinator
- **adopt grievance procedures**

П

notify program participants, beneficiaries, applicants, employees, unions, organizations with collective bargaining agreements, that recipient does not discriminate on the basis of disability

DOJ Regulations issued for FBO guidance (revised April 4, 2016)

- FBOs must not use direct federal funding to engage in <u>explicitly</u> <u>religious activities</u>.
 - Explicitly religious activities must be separate in time or location from federally-funded activities, and must be voluntary for those participating in the federally-funded activities.
- FBOs may not discriminate against <u>beneficiaries</u> based on religion, a religious belief, a refusal to hold a religious belief, or a refusal to participate in a religious practice.

New Notice and Referral Requirements for FBOs

FBOs must give <u>written notice</u> to beneficiaries and prospective beneficiaries that:

- FBO will not discriminate on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to participate in a religious practice;
- FBO may not require beneficiaries to participate in any religious activities;
- FBO will separate in time or location any privatelyfunded religious activities from federally-funded activities; and

New Notice and Referral Requirements for FBOs (cont.)

- If a beneficiary objects to the religious character of the FBO, the FBO will undertake reasonable efforts to identify and refer the beneficiary to an alternative provider that is acceptable to the beneficiary.
 - Alternative provider must be in reasonable geographical proximity to the FBO and offer services comparable in substance and quality.
 - FBO must maintain a record of the referral. If the FBO is unable to identify an alternative provider, it shall notify the SAA or the DOJ.

New Notice and Referral Requirements for FBOs (cont.)

- FBO must provide this written notice <u>prior</u> to the provision of services.
- A sample notice is contained at Appendix A to 28 C.F.R. pt. 38.
- A sample beneficiary referral request is contained at Appendix B to 28 C.F.R. pt. 38.

National Origin Discrimination

Includes discrimination on the basis of *Limited English Proficiency (LEP*).

A <u>Limited English Proficient</u> (LEP) person has a first language other than English and a limited ability to read, speak, write, or understand English. To avoid discrimination against LEP persons, recipients must

- Take *reasonable steps* to ensure *meaningful access* to the programs, services, and information the recipients provide, *free of charge*.
- Establish and implement *policies and procedures* for language assistance services that provide LEP persons with meaningful access.

What are reasonable steps? Four Factor Analysis

- The frequency with which LEP individuals come in contact with the program.
- The nature and importance of the program, activity, or service provided by the program.
- The number or proportion of LEP persons served or encountered in the eligible service population.
- The resources available to the recipient.

What are language services?

Insure Interpreter Competency

Usually family members, friends, and uncertified co-workers are not appropriate.

Safe Harbor Provision

If 5% or 1,000 (whichever is less) of population is LEP, <u>VITAL</u> documents must be translated

However, if 5% represents fewer than 50, then written notice of free written translation upon request must be provided).

What is meaningful access?

- During intake of a victim services program, an employee interviews a Spanish-speaking LEP victim of abuse using hand gestures and having the individual speak in broken English (without interpretation).
- A police officer attempts to question a victim of domestic violence by using the alleged abuser as an interpreter.

Have these persons been afforded meaningful access?

What is an EEOP?

- Comprehensive document which analyzes:
 - an agency's workforce in comparison to its relevant labor market data
 - all agency employment practices to determine their impact on the basis of race, sex, or national origin

A tool used to identify possible problem areas where discrimination may be occurring

Does an agency have to prepare an EEOP?

Depends on . . .

- Funding (Safe Streets Act, VOCA, or JJDPA)
- Status of Organization (*e.g.*, nonprofit)
- Amount of single award
- Number of employees

Then If	Does the recipient need to submit a Certification Form to OCR?	Does the recipient need to develop an EEOP?	Must the recipient submit an EEOP Utilization Report to OCR?
Recipient is a Medical or Educational Institution, Indian Tribe, or Nonprofit	YES	NO	NO
Largest individual grant received is less than \$25,000	YES	NO	NO
Recipient has less than 50 employees	YES	NO	NO
None of the above	YES	YES	YES
