OVSJG seeks to fund programs that create community-based systems of care for incarcerated individuals and individuals returning from correctional facilities to ensure they are connected to the supports and resources needed for successful reintegration into their home communities. Additional areas for funding include Project Safe Neighborhood (PSN) proposals to reduce violent crime through evidence-based interventions; implementation of Incarceration Reduction Amendment Act (IRAA) and Second Look Act; criminal justice and reentry pre-and post-release services and supports such as housing, workforce development, mental health, and family reunification.

Eligible activities include, but are not limited to:

- Planning to support individuals pre- and/or post-release from correctional institutions.
- Provision of services to address mental health, trauma, substance abuse and/or co-occurring disorder (COD) needs of individuals involved in the criminal justice system.
- Comprehensive case management for providing community-based support services.

Selected grantees may be required to report outcomes to the Bureau of Justice Assistance, or other reporting management systems, as required by OVSJG.

Award recipients that received \$1,000,000.00 or more in federal or District funds over a year are required to conduct a single audit in accordance with the provisions of the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (“Uniform Requirements”), dated December 26, 2013 and codified at 2 C.F.R. Part 200, as amended. The Uniform Requirements are available at <https://www.federalregister.gov/articles/2013/12/26/2013-30465/uniformadministrativerequirements-cost-principles-and-audit-requirements-for-federal-awards>. Costs associated with conducting a single audit are allowable.

2.2.2 Project Safe Neighborhoods (PSN)

Project Safe Neighborhoods is a nationwide initiative that brings together federal, state, local and tribal law enforcement officials, prosecutors, and community leaders to identify the most pressing violent crime problems in a community and develop comprehensive solutions to address them.

Project proposals for PSN must demonstrate the four key design elements of successful violent crime reduction as outlined in the [Project Safe Neighborhoods Blueprint for Success](#):

1. Community Engagement
2. Prevention and Intervention
3. Focused and Strategic Enforcement
4. Accountability

Proposals for PSN are being solicited from community-based organizations to provide violent crime interventions built upon the Department of Justice’s newly articulated core principles:

- fostering trust and legitimacy in our communities
- supporting community-based organizations that help prevent violence from occurring in the first place
- setting focused and strategic enforcement priorities
- measuring the results of our efforts.

The fundamental goal of this work is to reduce violent crime in the places we call home, not to increase the number of arrests or prosecutions as if they were ends in themselves.

Services neighborhoods or geographic areas Congress Heights, Washington Highlands, Columbia Heights, Fairlawn, Carver, Benning, Carver/Langston, Buena Vista, and Hillside/Barry Farm.

All funding decisions for PSN are subject to review and final approval by the Department of Justice, Office of Justice Programs, Bureau of Justice Assistance to ensure compliance with federal requirements for PSN awards.

2.2.3 Incarceration Reduction Amendment Act (IRAA)/Second Chance Amendment Act Implementation and Support

OVSJG is seeking applications for funding to provide services and supports necessary to effectuate implementation of the Incarceration Reduction Amendment Act (IRAA), codified as Title III of the Comprehensive Youth Justice Amendment Act (D.C. Law 21-238) and the Second Look Amendment

Act, codified as Title VI of the Omnibus Public Safety and Justice Amendment Act of 2020. IRAA established a process for review of a defendant’s sentence and created opportunities for judicial discretion (eliminating mandatory minimum sentences for juveniles) and the possibility for reduced prison terms imposed on defendants convicted of an adult offense prior to their 18th birthday. The Second Look Amendment Act provides for modification of an imposed term of imprisonment for violations of law committed before 25 years of age. Grant funds shall support facilitation of these efforts, as well as related reentry services for those receiving reduced sentencing.

Funding for IRAA/Second Look Act grants will be available as follows:

- A grant for a social work school and returning citizen “peer navigator” partnership to provide reentry support to returning citizens sentenced as teenagers and young adults and released after decades of incarceration.
- A grant for a criminal, young adult, or juvenile justice policy-focused non-profit organization to support implementation, coordination, and analysis of the Incarceration Reduction Amendment Act of 2016 (“IRAA”).
- A grant for a law school clinic to represent and provide legal coordination for individuals seeking to petition for sentence review pursuant to IRAA.
- A grant to provide advocacy and legal support for individuals serving extreme sentences and seeking sentence review.
- A grant to support District youth incarcerated as adults through creative writing and peer support for reentry services for sentence review petitioners and recipients.

Section 3. General Grantee Requirements

The following sections provide an overview of general requirements and expectations for all applicants funded under this RFA. Successful applicants must adhere to OVSJG’s general grantee requirements for compliance and to maintain funding for the award period.

3.1 Monitoring

The Grant Program Manager will monitor program services and financial administration pursuant to the terms of the grant agreement and will make onsite visits to the grantee’s service facilities. Monitoring efforts are designed to determine the grantee’s level of compliance with District and federal requirements and identify specifically whether the grantee’s operational, financial, and management systems and practices are adequate to account for program funds. Failure to maintain compliance with requirements may result in payment suspension, payment reduction, or termination of the grant. New grantees and grantees that have a high-risk classification must provide all financial back-up when submitting reimbursements and are also subject to more frequent onsite visits.

3.2 Risk Assessment Classification

If the application is awarded a grant, a risk assessment classification system will be used to assist in determining the level of grantee monitoring to be performed and the frequency thereof. After grants are awarded, each grantee will receive a risk classification based on past financial and programmatic reporting of the grantee, documentation submitted with the application, and other factors as detailed in the [*OVSJG Grants Management Policies and Procedures Manual*](#). If OVSJG determines that an award will be made to a high-risk organization, funding restrictions may be included. If OVSJG decides to impose

any funding restrictions, then OVSJG will notify the organization in writing of the restriction, the reason(s), corrective actions, and the process for requesting reconsideration.

3.3 Corrective Action and Termination of Funding

In the event the programmatic, financial, or documentation conditions of the grant are not being met in a thorough and timely fashion, progressive actions will be taken, at the discretion of OVSJG, up to and including termination of funding. A project which is prematurely terminated will be subject to the same requirements regarding audit, recordkeeping, and submission of reports as a project which runs for the duration of the project period.

3.4 Privacy and Confidentiality

Except as otherwise provided by federal law, no recipient of OVSJG funds shall use or reveal any research or statistical information furnished under OVSJG by any person, and identifiable to any specific private person, for any purpose other than the purpose for which such information was obtained in accordance with the OVSJG program funded. Such information and any copy of such information shall be immune from legal process and shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or judicial, legislative, or administrative proceeding. Client records will be kept confidential and secure in accordance with the District and Federal regulations. In accordance with standard practice, only aggregate data and/or individual data that are non-identifiable will be released.

3.5 Data Collection Requirements and Information

Evidence-based and Evidence-informed Program and Practices

Applicants are highly encouraged to refer to recent population data, crime data, evidence-based programs in other jurisdictions, and service utilization and outcome reports from internal program history records to support their program design and project narrative. Refer to the Appendix section of this RFA for references.

Performance Measurement Information

Performance measurement is a system of tracking progress for accomplishing goals, objectives, and activities. Performance measurement provides direction as well as a basis for evaluating the progress of applicants who received funding under this RFA. Applicants are required to provide a set of common data points and service-specific outcome measures that capture the results of their work. Applicants who are awarded grants will report on their specific outcomes in GovGrants. Information on the Performance Measurement Initiative (PMI) including data measures and instructions on how to enter data can be found on the [OVSJG website](#).

Application-Specific Goals, Objectives, Activities, and Outcomes

Applicants should identify goals, objectives, and activities in their project narrative and work plan specific to the application that clearly illustrate how and when the identified services and needs of the target population(s) will be addressed. Grantees are required to report on progress towards goals and activities quarterly.

Proposed objectives must describe a measurable outcome, and activities should describe the specifics used to meet objectives. Applications should also include programmatic outcomes, e.g. the desired result

of the goals, objectives, and activities, and a description of how the grantee will measure the desired results.

Please be sure in the application to (1) specify the type of services that will be provided; (2) indicate how the required data measures will be captured (see Appendix C); (3) how to indicate the outcome measures required for the type of service provided will be captured, and (4) detail how recordkeeping will be achieved.

Example of Goals, Objectives, and Activities Format:

Goal 1: Reduce the recidivism rate among returning citizens of the District of Columbia.

- Objective 1: Provide comprehensive case management services to 100 reentering citizens.
- Activity 1: Conduct mental health and substance abuse assessments with program participants.
- Activity 2: Develop an Individual Service Plan (ISP) with each program participant.
- Outcome 1: Program participants will have a 60% lower recidivism rate, as measured against the percentage of non-program participants who are re-arrested, re-convicted, and/or re-incarcerated.

Please note that OVSJG reserves the right to conduct a site visit at any point during the grant period and request back-up documentation of all data measures and performance outcomes. All grantees are required to demonstrate the ability to collect data to support all services performed and all outcomes achieved.

OVSJG also reserves the right to withhold reimbursement requests pending verification of all data provided. OVSJG also reserves the right to immediately disqualify any application that does not include performance and outcome measurements established in this section.

3.6 Reporting Requirement

All grantees are required to submit quarterly programmatic reports and financial requests for reimbursement in GovGrants. The programmatic reports must indicate the status of the goals and objectives as determined by the grantee in their application, as well as the data and outcome measures as detailed in the [Performance Measurement Initiative \(PMI\)](#). The grantee should also include any successes or challenges encountered during the reporting period. The financial reports indicate the status of program spending by category and are submitted along with all receipts, invoices, or other documentation of expenditures, as required based on risk status. **Both financial and programmatic reports are due no later than 15th of the month following the end of the reporting period or the next business day should the due date be on a weekend or holiday. All financial and programmatic reports for the last quarter of the fiscal year must be submitted within ten (10) days after the end of the quarter, (January 15, April 15, July 15, October 10).**

Failure to submit complete programmatic reports by the date due will result in withholding of reimbursements, as well as a Notice of Programmatic Delinquency. More than one Notice of Programmatic Delinquency may result in the termination of funding for the fiscal year.

Recipients of federal funding may have additional reporting requirements.

4.4 Tips for Proposal Preparation

OVSJG recognizes the level of time and effort that applicants must put into developing proposals for submission. In order to tailor the application process to be as efficient and expeditious as possible we request that each applicant adhere to the following:

- Title of the project should be different than the name of the funding source
- Round all budget figures to the nearest dollar
- Follow the format outlined in *Proposal Instructions* when developing your proposal
- Use the *What an Application Must Include* checklist to guide the completion of your grant application packet

Section 5. Application Review Information

5.1 OVSJG Screening Process

This is a competitive solicitation. OVSJG does not guarantee funding, funding amounts, nor funding source based on previous awards. Applications will be reviewed and scored by external reviewers and/or internal reviewers to determine which projects will be funded. External reviewers and/or internal reviewers will assign scores based on the required elements listed in proposal instructions.

The Office of Victim Services and Justice Grants will consider the eligibility of costs and project activities contained in the application based on District and federal grant requirements; past performance of the applicant (including compliance with provisions of grant agreements, if applicable); overall priorities of the District and amount of funds available to meet the requests and known community need.

5.2 Review Process and Decision on Awards

The Office of Victim Services and Justice Grants may use either internal peer reviewers, external peer reviewers, or a combination of both to review the applications under this RFA. An external peer reviewer is an expert in the field of the subject matter of a given solicitation who is NOT a current District of Columbia government employee. An internal reviewer is an expert in the field of the subject matter of a given solicitation who is a current District of Columbia government employee. Applications will be screened initially to determine whether the applicant meets all eligibility requirements. Only applications submitted by eligible applicants that meet all other requirements (such as timeliness, proper format, and responsiveness to the scope of the RFA) will be evaluated, scored, and rated by a peer review panel. Peer reviewers' ratings and any resulting recommendations are advisory only. In addition to peer review ratings, considerations may include but are not limited to, underserved populations, strategic priorities, past performance, and available funding. The final decision on awards rests solely with the

Director of the Office of Victim Services and Justice Grants. After reviewing the recommendations of the review panel, information gathered during the internal review, and any other information considered relevant, the Director of OVSJG shall decide which applicants to fund, amounts to be funded, and funding source.

Note: As there are generally far more requests for funds than funds available, applicants may not be chosen for funding or may receive only partial funding for the project.

5.3 Award Notification

The Office of Victim Services and Justice Grants follows the competitive process for awarding grants in accordance with the [OVSJG Grant Management Policies and Procedures Manual](#) and the [City-Wide Grants Manual and Sourcebook](#). All applications will be considered under the federal and District guidelines that determine allowable expenses and activities.

The Office of Victim Services and Justice Grants will notify all applicants of the final award decisions within fifteen (15) working days of the determination. For those applicants receiving funding, this notice will include the amount of funds to be granted, identify any unallowable costs that the application contains, note any reduction in funding from the initial request, and outline the necessary steps the applicant must complete to establish the grant award.

5.4 Decision Review Process

An applicant has ninety (90) calendar days from the date the notification letter is sent to request in writing a more elaborate explanation of OVSJG's decision. The request should be sent to the following address:

Office of Victim Services and Justice Grants
ATTN: FY2026 Justice Grants Consolidated Grant
RFA Application Inquiry
899 North Capitol Street NE Suite 4100
Washington, DC 20002

It may also be submitted via email to: ovsjg.RFAjusticegrants@dc.gov

Please refer [OVSJG Grants Management Policies and Procedures Manual](#) for the complete review policy.

5.5 Contingency Clauses

OVSJG reserves the right to require additional certifications and/or information in accordance with applicable federal or District requirements including the [OVSJG Grants Management Policies and Procedures Manual](#) and the [City-Wide Grants Manual and Sourcebook](#). OVSJG will provide written notice of any additional requirements at the time of the award.

- OVSJG reserves the right to make changes to this RFA, based on any clarifications in the regulations, legislative changes, or funding level fluctuations from the Federal and/or District government. Funding for grantees is contingent on continued funding from the grantor.

- This RFA does not commit OVSJG to award grants. OVSJG reserves the right to accept or reject any or all applications. The agency will notify the applicant Authorized Official of the rejected proposals.
- OVSJG may suspend or terminate an outstanding RFA pursuant to its own grant-making rule(s) or any applicable federal or District regulation or requirement.
- OVSJG reserves the right to issue addenda and amendments subsequent to the RFA process or to rescind the RFA.
- OVSJG shall not be liable for any costs incurred in the preparation of applications in response to RFA. Applicants agree that all costs incurred in developing the application are the applicants' sole responsibility.
- OVSJG may conduct pre-award on-site visits to verify information submitted in the application and to determine if proposed facilities are appropriate for the proposed services.
- OVSJG may require applicants to enter negotiations and submit a price, technical or other revision of their proposal that may result from negotiations.
- If there are any conflicts between the terms and conditions of the RFA and any Federal or District law or regulation, or any ambiguity related thereby, then the provisions of the applicable law or regulation shall control, and it shall be the responsibility of the applicant to ensure compliance.

Section 6. Programmatic and Administrative Requirements

6.1 Oversight

Applicants are required to ensure that there is adequate oversight over their grant programs and partner(s). In designing and managing programs, applicants need to consider how they will ensure that grant activities and partner(s) will adhere to applicable Federal, Local, and programmatic regulations.

6.2 Financial Management and Systems of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. [200.302](#) and [200.303](#), comply with standards for financial and program management. The “Part 200 Uniform Requirements” means the DOJ regulation at [2 C.F.R. 6.4 Non-Supplanting

Applicants who are current recipients of local or federal financial assistance are required to demonstrate how they will ensure that any award of local or federal funds under this RFA will not supplant other local or federal funds which otherwise have been made available.

6.5 Payment Provisions

The Government of the District of Columbia shall make payments on invoiced amounts in accordance with the terms of the grant agreement, which may result from submissions to this RFA. Grant funds will be awarded on a cost reimbursement basis. At any time before final payment and three (3) years thereafter, the government of the District of Columbia may conduct an audit of the grantee's expenditure statements.

6.6 Applicant's Financial Statements

All applicants are required to provide a copy of their most recent and complete set of financial statements available for their organization. Failure to include them may lead to an automatic rejection of the application. OVSJG also reserves the right to award funds under this RFA and withhold disbursement of funds pending a current audit report. ******Failure to submit current audited financial statements may lead to an automatic rejection of the application. Current OVSJG grantees must be in compliance with this requirement at the time of grant application. However, if the organization is deemed eligible and awarded grant funds under this or any RFA released by OVSJG future grant funds will be withheld until full compliance with this requirement.***

6.7 Internal Revenue Service Requirement

All applicants must submit evidence of being a legally authorized entity (e.g., 501(c)(3) determination letter), a current business license, and any correspondence or other communication received from the IRS within three years before submission of the grant application that relates to the applicant's tax status. This requirement should not be construed to mean that all applicants are required to be a 501(c)(3) entity.

6.8 Disclosure of Legal Proceedings

All applicants are required to disclose in a signed written statement provided on organizational

letterhead, the truth of which is sworn or attested to by the applicant's' authorized official, whether the applicant, or where applicable, that its officers, partners, principals, members, associates or key employees, within the last three (3) years prior to the date of the application, has not:

1. Been indicted or had charges brought against them (if still pending) and/or been convicted of:
 - a. Any crime or offense arising directly or indirectly from the conduct of the applicant's organization, or
 - b. Any crime or offense involving financial misconduct or fraud.
2. Been the subject of legal proceedings arising directly from the provision of services by the organization.

If the response is in the affirmative, the applicant shall fully describe any such indictments, charges, convictions, or legal proceedings (and the status and disposition thereof) and surrounding circumstances in writing and provide documentation of the circumstances.

6.9 Office of Tax and Revenue (OTR) Requirement

All grantees must obtain and submit current year filing certification from the District of Columbia Office of Tax and Revenue (OTR) that the entity has complied with the filing requirements of District of Columbia tax laws, that they are current on all taxes including Unemployment Insurance and Workers' Compensation premiums and that the entity has paid taxes due to the District of Columbia, or is in compliance with any payment agreement with OTR.

Applicants who have secured insurance at the time of application should upload the required documentation in the Documents/Required Attachments section in GovGrants. Applicants do not have insurance secured at the time of application who are awarded a grant are required to provide insurance documentation prior to award execution.

6.11 Funding to Faith-Based Organizations

Applicants from faith-based organizations (FBO's) are invited and encouraged to apply for eligible grant activities described in this RFA. Faith-based organizations will be considered for awards on the same basis as other eligible applicants and will be treated on an equal basis with other grantees should they receive an award. No eligible applicant or grantee will be discriminated for or against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization. However, grant funds may not be used to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Funded FBOs may, of course, engage in religious activities; however, these activities must be separate in time or location from the OVSJG funded program. Moreover, funded FBOs must not compel program beneficiaries to participate in inherently religious activities. Funded faith-based organizations must also not discriminate on the basis of religion in the delivery of services or benefits.

6.12 Civil Rights Requirement

Successful applicants must be able to demonstrate compliance with District and federal civil rights requirements. If an applicant is selected for a grant award, grantee will be required to post and display the District of Columbia Equal Employment Opportunity poster in a conspicuous area

accessible to employees; and appoint an Equal Opportunity (EO) Coordinator within the organization who will provide support and oversight to staff and service beneficiaries.

Applicants must agree to comply with the **District of Columbia Language Access Act**. The District's Language Access Program exists to ensure District residents who are limited or non-English proficient are afforded equal access to information and services provided by the District. Residents or visitors who speak little or no English must be offered interpretation services and/or translated documents when obtaining government services, as required by the Language Access Act of 2004. Language access includes access to certified interpreters and translated materials. All applications should demonstrate a plan to ensure compliance with the District's Language Access Program. For more information on the District of Columbia Language Access Act [visit this site.](#)

Applicants must agree to comply with all applicable federal civil rights laws; make every effort to provide accessible programming to individuals with Limited English Proficiency; and comply with federal regulation 28 C.F.R. Part 38, governing "Partnerships with Faith-Based and Other Neighborhood Organizations" (the Equal Treatment Regulation). The Equal Treatment Regulation provides that Department of Justice (DOJ) grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the DOJ funded program, and participation in such activities must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of the beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may in some circumstances consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.

6.13 Non-discrimination in Hiring and Delivery of Services and Discrimination Reporting

In accordance with the below listed applicable federal statutes as well as District non-discrimination requirements, grantees agree to not discriminate in their hiring practices and/or provision of services against any and all protected populations. In addition, grantees agree to notify OVSJG within 48 hours of any and all employee or beneficiary formal complaints of discrimination against their organization, and to more generally comply with all civil rights hiring and beneficiary service policies and procedures as identified in the below listed applicable statutes. Applicable statutes may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §§ 10228(c) and 10221(a)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. § 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 U.S.C. § 6101-07); the Violence Against Women Act (VAWA) of 1994, as amended, 34 U.S.C. § 12291(b)(13); and the Department of Justice's regulations implementing these civil rights statutes at 28 C.F.R. pt. 35, 42, and 54; and Ex. Order 13279 (Partnerships with Faith-Based and Other Neighborhood Orgs.).

APPENDIX C: OVSJG Budget Instructions

For each category of expenditures, please provide the computation for arriving at these expenditures as well as a brief narrative explaining how these expenditures relate to the project/program outputs and outcomes. The budget narrative should itemize all costs and provide a detailed narrative explaining and justifying each budget item. All funds listed in the budget may be subject to an audit. Project allocations are required for OVSJG funding. Applicants must provide the percentage or number of hours proposed to fulfill the applicant's proposed goals and objectives.

The following examples are intended to assist you in preparing your application budget. **Applicants must enter budget information in the appropriate section in GovGrants. GovGrants auto calculates total costs for each line item. Formula manipulation is not allowable.**

Do not include these instructions or examples in the budget you submit with your application.

For guidance on how to fill in the budget tab please visit budget section in the [User Guide-How to complete award record.pdf](#) training guide

A. PERSONNEL:

List each position by title and name of employee. Show the annual salary rate, percentage of time to be devoted to the project, and related cost to the grant. An explanation of the requested position(s) and their relationship to the proposed project activity must be included in the budget narrative. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization. Verification of salary may be requested. Include any projected salary increases for the award period.

The personnel line-item formula in GovGrants calculates as follow:

Salary x Time Worked x Percentage of time = Total Cost.

*FTE is not included in the calculation but a required data point for OVSJG grants.

The numbers inputted in the time worked category should match the rate calculations:

Yearly Salary/wages = enter 1 in time worked to signify 1 year's salary.

Monthly Salary/wages = enter number of months projected to work on the grant out of 12 months.

Weekly Salary/wages = enter number of weeks projected to work on the grant out of 52 weeks.

Hourly Salary/wages = enter in total hours projected to work on the grant.

Example Budget Scenarios:

Shannon makes \$100,000 a year. She spends all her time working on grant funded projects and works the full year.

Steph makes \$70,000 a year and is a full-time employee. She spends the majority of the time working on grant-funded projects but spends a small bit of time doing other tasks for the agency (outside the grant). Steph is due for cost-of-living increase in April (half way through the grant). In this scenario you would add Steph to the personnel calculations twice to show her projected change in role and salary for the projected time in each role during year.

There is a vacancy for an advocate (marked TBD). They will make \$1,200 a week and will be a full-time employee. The start date for this role is the first business day of the new year. All of their time will be spent on grant activities.

Mary makes \$25.00 an hour and is a part-time hotline advocate. She on average works 900 hours a year but this number varies based on the hotline demands. This fiscal year you project 960 hours for the year to keep up with the hotlines' increased call trends. All of her part time hours will be spent on grant activities.

Name	Position	Salary	Rate	FTE	Time Worked	% of Time	Total Cost
Shannon Smith	Program Director	\$100,000	Yearly	1	1 (year)	100%	\$100,000
Steph Jones	Program Manager	\$70,000	Yearly	1	.5 (year)	75%	\$26,250
Steph Jones	Program Manager	\$75,000	Yearly	1	.5 (year)	75%	\$28,125
TBD	Legal Advocate	\$1,200	Weekly	1	39 (weeks)	100%	\$46,800
Mary	Hotline Advocate	\$25.00	Hourly	.5	950 (hours)	100%	\$23,750
Total Cost							\$224,925

Narrative:

The Program Director, Shannon, will oversee the daily operations of the project and supervise project staff. Ms. Smith is also responsible for drafting and submitting programmatic and financial reports.

The Program Manager, Steph Jones, is a full-time employee and oversees program evaluation and development. Starting in April her salary will increase by \$5,000 as she is due for a cost-of-living increase.

The advocate role is currently vacant. This role will meet with clients and help them navigate the court and legal system. We anticipate hiring for this role at the top of the new year.

Mary is a part-time Hotline Advocate. The number of hours worked will vary each week depending on the need. She has averaged 900 – 950 hours worked in pervious fiscal years. We anticipate an increased need for support on the hotline this year.

B. FRINGE BENEFITS:

Fringe benefits should be based on actual known costs. Fringe benefits are for the personnel listed in the personnel budget category (A) and only for the percentage of time devoted to the project. List name and actual cost of fringe expense for each employee.

The fringe line-item formula in GovGrants calculates as follow:

$$\text{Base (total cost from personnel) x (fringe) Rate = Total Cost.}$$

Name	Position	Base	Rate	Total Cost
Shannon Smith	Program Director	\$100,000	15%	\$15,000
Steph Jones	Program Manager	\$26,250	15%	\$3,937.50
Steph Jones	Program Manager	\$33,750	15%	\$5,062.15
TBD	Legal Advocate	\$46,800	15%	\$7,020
Mary	Hotline Advocate	\$23,750	6%	\$1,425
Total Cost				\$32,444.65

Narrative:

Fringe benefits include FICA, health insurance, worker's compensation, unemployment compensation, and retirement and are based on actual anticipated expenses for each employee.

C. TRAVEL/TRAINING:

Provide the purpose of the travel under the grant. **Requests for travel will only be considered if the proposed use directly supports the goals and objectives of the proposal and** budget narrative must describe how the planned travel in necessary for the success of the project. [GSA](#) rates may be used to calculate travel cost or rates established by agency policy.

The travel/training line-item formula in GovGrants calculates as follow:

$$\text{Cost} \times \text{Quantity} \times \# \text{ of Staff} = \text{Total Cost.}$$

Purpose of Travel	Location	Type of Expense	Basis	Cost	Quantity	# of Staff	Total Cost
Transporting clients to/from court	DC Superior Court	Driving	Per mile	\$3.744	50	1	\$187.20
Attendance at task force meetings	ABC Drive, Washington DC	Metro Round Trip	Per RT	\$4.40	6	2	\$52.80
Staff Training - National Trauma Conference	Dallas, TX	Airplane	Per ticket	\$500	1	2	\$1,000
Staff Training – National Trauma Conference	Dallas, TX	Lodging	Per night	\$154	3	2	\$924
Staff Training – National Trauma Conference	Dallas, TX	Ubers	Per trip	\$20	4	1	\$80
Total Cost							\$2,244

Narrative:

Staff will use private vehicles to transport clients to/from court as needed. Please note that only 1 staff is listed as the drive may be interchangeable, but it will be one driver per trip.

Two staff will attend the DC Anti-Violence task force meetings six times a fiscal year.

Two staff will attend the National Trauma Conference to enhance their professional knowledge and skills. Please note that they will share Ubers so the cost only reflects one staff person for Uber transportation

D. CONSULTANTS/Contracts:

Contract and consulting services, including contracts such as rent, IT contracts, technical assistance, training, outsourcing of program services, maintenance/service agreements, accounting, etc. that can be directly attributed to grant-funded activities. Provide a description of the project or services to be procured by consultant/contractor and an estimate of the costs. Applicants are encouraged to promote free and open competition in awarding contracts. A copy of executed contract/written agreement between the sub-grantee and service provider prior to any reimbursement payment.

The consultant/contract line-item formula in GovGrants calculates as follow:

$$\text{Unit Cost/Rate} \times \text{Number of Units} = \text{Total Cost.}$$

If the applicant possesses a negotiated indirect cost rate (NICRA), they can submit it in this section and request reimbursement for expenses at said rate. Any costs included in the calculation of the NICRA cannot also be requested as direct costs. NICRA documentation must be submitted with the application.

Alternatively, applicants can request reimbursement of the "de minimis" rate which is 10% of the Modified Total Direct Costs (MTDC). When using this method, cost must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. Also, if this method is chosen then it must be used consistently for all awards.

What is the Modified Total Direct Cost, or MTDC?

- This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award).
- MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$50,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with approval.

Templates for calculating this cost can be found in the supporting document check list. You must fill in the template to calculate your indirect cost, upload it to the supporting document checklist and then enter in the total indirect cost in GovGrants. GovGrants will NOT calculate this formula for applicants.
