I. GENERAL INFORMATION

Introduction
The Executive Office of the Mayor, Office of Victim Services and Justice Grants (OVSJG), provides federal and District funding to local initiatives that address the issues of violent crime, public safety, and criminal justice. OVSJG is also responsible for monitoring sub-grantees for compliance with federal and District regulations and working to build a comprehensive network of victim services for the citizens of the District of Columbia.

The Office of Victim Services and Justice Grants is pleased to announce that it is seeking applications for funding to maintain the comprehensive network of trauma informed services available to victims of violent crime; to address the issues of domestic violence, dating violence, stalking, and sexual assault in a manner that promotes victim safety and offender accountability; to improve the treatment of victims of crime by providing them with the assistance and services necessary to aid their restoration after a violent criminal act; and to support and aid them as they move through the criminal and civil justice processes. The activities funded through this RFA are intended to strengthen a coordinated network of services and referral system.

Administrative Requirements

All applicants must provide a copy of their most recent and complete set of audited financial statements available for their organization. The most recent and complete set of audited financial statements must
be dated within one calendar year from the date of the application. Applicants that received in the past fiscal year more than $750,000.00 in funding from state and federal entities must also include their Single Audit Report. If audited financial statements have never been prepared due to the size or newness of an organization, the applicant must provide, at a minimum, an Organizational Budget, an Income Statement (or Profit and Loss Statement), and a Balance Sheet certified by an authorized representative of the organization, and any letters, filings, etc. submitted to the IRS within the three (3) years before the date of the grant application. Failure to include them may lead to an automatic rejection of the application. OVSJG also reserves the right to award funds under this RFA and withhold disbursement of funds pending a current audit report.

**Internal Revenue Service Requirement**

All applicants must submit evidence of being a legally-authorized entity (e.g. 501(c)(3) determination letter), a current business license, and any correspondence or other communication received from the IRS within three years before submission of the grant application that relates to the applicant’s tax status.

This requirement should not be construed to mean that all applicants are required to be a 501(c)(3) entity.

**Disclosure of Legal Proceedings**

All applicants are required to disclose in a signed written statement provided on organizational letterhead, the truth of which is sworn or attested to by the applicant’s authorized official, whether the applicant, or where applicable, that its officers, partners, principals, members, associates or key employees, within the last three (3) years prior to the date of the application, has not:

1. Been indicted or had charges brought against them (if still pending) and/or been convicted of:
   a. Any crime or offense arising directly or indirectly from the conduct of the applicant’s organization, or
   b. Any crime or offense involving financial misconduct or fraud;
2. Been the subject of legal proceedings arising directly from the provision of services by the organization.

If the response is in the affirmative, the applicant shall fully describe any such indictments, charges, convictions, or legal proceedings (and the status and disposition thereof) and surrounding circumstances in writing and provide documentation of the circumstances.

**Office of Tax and Revenue (OTR) Requirement**

All sub-grantees must obtain and submit current year filing certification from the District of Columbia Office of Tax and Revenue (OTR) that the entity has complied with the filing requirements of District of Columbia tax laws, that they are current on all taxes including Unemployment Insurance and Workers’ Compensation premiums and that the entity has paid taxes due to the District of Columbia, or is in compliance with any payment agreement with OTR.

**Payments Provisions**

The Government of the District of Columbia shall make payments on invoiced amounts in accordance with the terms of the grant agreement, which results from this RFA. Grant funds will be awarded on a cost-reimbursement basis. At any time or times before final payment and three (3) years thereafter, the
Government of the District of Columbia may conduct an audit of the grantee’s expenditure statements. All requests for payment must be submitted in ZoomGrants and E-Invoicing.

Funding to Faith-based Organizations

Applicants from faith-based organizations (FBO’s) are invited and encouraged to apply for eligible grant activities described in this RFA. Faith-based organizations will be considered for awards on the same basis as other eligible applicants and will be treated on an equal basis with other grantees should they receive an award. No eligible applicant or grantee will be discriminated for or against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization. However, grant funds may not be used to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Funded FBOs may, of course, engage in religious activities; however, these activities must be separate in time or location from the OVSJG funded program. Moreover, funded FBOs must not compel program beneficiaries to participate in inherently religious activities. Funded faith-based organizations must also not discriminate on the basis of religion in the delivery of services or benefits.

Civil Rights Requirements

Successful applicants must be able to demonstrate compliance with District and federal civil rights requirements. If an applicant is selected for a grant award, grantee will be required to post and display the District of Columbia Equal Employment Opportunity poster in a conspicuous area accessible to employees; and appoint an Equal Opportunity (EO) Coordinator within the organization who will provide support and oversight to staff and service beneficiaries.

Applicants must agree to comply with the District of Columbia Language Access Act. The District’s Language Access Program exists to ensure District residents who are limited or non-English proficient are afforded equal access to information and services provided by the District. Residents or visitors who speak little or no English must be offered interpretation services and/or translated documents when obtaining government services, as required by the Language Access Act of 2004. Language access includes access to certified interpreters and translated materials. All applications should demonstrate a plan to ensure compliance with the District’s Language Access Program.

Applicants must agree to comply with all applicable District and federal civil rights laws; make every effort to provide accessible programming to individuals with limited English proficiency; and comply with federal regulation 28 C.F.R. Part 38, governing “Equal Treatment for Faith based Organizations” (the Equal Treatment Regulation). The Equal Treatment Regulation provides that Department of Justice (DOJ) grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the DOJ funded program, and participation in such activities must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of the beneficiary’s religion. Notwithstanding any other special condition of this award, faith-based organizations may in some circumstances consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.
Non-discrimination in Hiring and/or Delivery of Services and Discrimination Reporting

In accordance with the below listed applicable federal statutes as well as District non-discrimination requirements, grantees agree to not discriminate in their hiring practices and/or provision of services against any and all protected populations. In addition, grantees agree to notify OVSJG within 48 hours of any and all employee or beneficiary formal complaints of discrimination against their organization, and to more generally comply with all civil rights hiring and beneficiary service policies and procedures as identified in the below listed applicable statutes. Applicable statutes may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §§ 10228(c) and 10221(a)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Americans with Disabilities Act of 1990 (42 U.S.C. § 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 U.S.C. § 6101-07); the Violence Against Women Act (VAWA) of 1994, as amended, 34 U.S.C. § 12291(b)(13); and the Department of Justice’s regulations implementing these civil rights statutes at 28 C.F.R. pt. 35, 42, and 54; and Ex. Order 13279 (Partnerships with Faith-Based and Other Neighborhood Organizations).

Insurance Requirement

All grantees will be required to provide in writing the name of all of its insurance carriers and the type of insurance provided (e.g., its general liability insurance carrier and automobile insurance carrier, workers’ compensation insurance carrier, fidelity bond holder). OVSJG will provide additional guidance on all required documentation at the time of award.

Additional Requirements

OVSJG reserves the right to require additional certifications and/or information in accordance with applicable federal or District requirements including the OVSJG Grant Management Policies and Procedures Manual and the City-Wide Grants Manual and Sourcebook. OVSJG will provide written notice of any additional requirements at the time of the award.

Contingency Clauses

1. OVSJG reserves the right to make changes to this RFA, based on any clarifications in the regulations, legislative changes, or funding level fluctuations from the Federal and/or District government. Funding for grantees is contingent on continued funding from the grantor.

2. This RFA does not commit OVSJG to award grants. OVSJG reserves the right to accept or reject any or all applications. The agency will notify applicants of the rejected proposals. OVSJG may suspend or terminate an outstanding RFA pursuant to its own grant making rule(s) or any applicable federal or District regulation or requirement.

3. OVSJG reserves the right to issue addenda and amendments subsequent to the RFA process or to rescind the RFA.

4. OVSJG shall not be liable for any costs incurred in the preparation of applications in response to RFA. Applicants agree that all costs incurred in developing the application are the applicants’ sole responsibility.

5. OVSJG may conduct pre-award on-site visits to verify information submitted in the application and to determine if proposed facilities are appropriate for the proposed services.

6. OVSJG may require applicants to enter negotiations and submit a price, technical or other revision of their proposal that may result from negotiations.
7. If there are any conflicts between the terms and conditions of the RFA and any federal or District law or regulation, or any ambiguity related thereby, then the provisions of the applicable law or regulation shall control, and it shall be the responsibility of the applicant to ensure compliance.

**Monitoring**
The Grant Program Manager will monitor program services and financial administration pursuant to the terms of the grant agreement and will make onsite visits to the grantee’s service facilities.

Monitoring efforts are designed to determine the grantee’s level of compliance with District and federal requirements and identify specifically whether the grantee’s operational, financial and management systems and practices are adequate to account for program funds. Failure to maintain compliance with requirements may result in payment suspension, payment reduction, or termination of the grant. New grantees and grantees that have a high-risk classification must provide all financial back-up when submitting reimbursements and are also subject to more frequent onsite visits.

**Risk Assessment Classification**
If the application is awarded a grant, a risk assessment classification system will be used to assist in determining the level of grantee monitoring to be performed and the frequency thereof. After grants are awarded, each grantee will receive a risk classification based on past financial and programmatic reporting of the grantee, documentation submitted with the application, and other factors as detailed in the [OVSJG Grant Management Policies and Procedures Manual](https://ovsjg.dc.gov/page/current-funding).

**Reporting**
All grantees are required to submit quarterly programmatic reports and financial requests for reimbursement. The programmatic reports must indicate the status of the goals and objectives as determined by the grantee in their application, as well as the data and outcome measures as proscribed in the Performance Management Initiative (PMI). The grantee should also include any successes or challenges encountered during the reporting period. The financial reports indicate the status of program spending by category and are submitted along with all receipts, invoices or other documentation of expenditures, as required based on risk status. Both financial and programmatic reports are due no later than the 15th day after the end of the reported quarter. Fourth quarter financial reports will be due by the 10th of October.

*Failure to submit complete programmatic reports by the date due will result in withholding of reimbursements, as well as a Notice of Programmatic Delinquency. More than one Notice of Programmatic Delinquency may result in the termination of funding for the fiscal year.*

Recipients of federal funding may have additional reporting requirements.

**Inquiries**
To ensure fairness and consistency, all questions not addressed in this RFA must be submitted in writing or by e-mail. **All questions must be received by 5pm ET May 1, 2019.** Questions and answers that result in an amendment to the RFA will be posted on the OVSJG website under Current Funding Opportunities ([https://ovsjg.dc.gov/page/current-funding](https://ovsjg.dc.gov/page/current-funding)) and the Office of Partnerships and Grant Development, District Grants Clearinghouse at: [https://www.opgs.dc.gov](https://www.opgs.dc.gov). Questions that can be answered by referring to sections of the RFA or that are specific to an applicant may be addressed by sending an
email to ovsjg@dc.gov, Attn: FY 2020 Grant Application Inquiry. Oral explanations or instructions given prior to the award of grants will not be binding.

**Performance Management**

Performance management is a system of tracking progress for accomplishing goals, objectives and activities. Performance management provides direction as well as a basis for evaluating progress of applicants who received funding under this RFA. Applicants are required to provide a set of common data points and service-specific outcome measures that captures the results of their work. Applicants who are awarded grants will report on their specific outcomes in the software platform that is provided by OVSJG. Information on the Performance Management Initiative (PMI) including data measures and an instructional video on how to enter data can be found on the OVSJG website [https://ovsjg.dc.gov/page/performance-management-initiative-pmi](https://ovsjg.dc.gov/page/performance-management-initiative-pmi).

Additionally, all applicants must develop a set of goals, objectives, and activities specific to the application that clearly illustrate how and when the identified services and needs of the target population(s) will be addressed. Goals are generally broad statements that encompass objectives and activities. Proposed objectives must describe a measurable outcome and activities should describe the specifics used to meet objectives. Applications should also include programmatic outcomes, e.g. the desired result of the goals, objectives, and activities, and a description of how the grantee will measure the desired results.

**Please be sure in your application to** (1) **specify the type of service that you will be providing; (2) indicate how you will capture the required data measures (see Appendix A); (3) indicate how you will capture the outcome measures required for the type of service that you will be providing; and (4) detail how record-keeping will be achieved.**

Please note that OVSJG reserves the right to conduct a site visit at any point during the grant period and request back-up documentation of all data measures and performance outcomes. All grantees are required to demonstrate the ability to collect data to support all services performed and all outcomes achieved. OVSJG also reserves the right to withhold reimbursement requests pending verification of all data provided. OVSJG also reserves the right to immediately disqualify any application that does not include performance and outcome measurements established in this section.

**Application-Specific Goals, Objectives, Activities, and Outcomes**

*Example of Goals, Objectives and Activities Format:*

**Goal 1:** To ensure immediate safety to victims of domestic violence.

  **Objective 1:** In FY 2020, provide case management to 200 victims of domestic violence.
  
  **Activity 1:** Conduct lethality assessments with victims of domestic violence.
  
  **Activity 2:** Develop safety plans with victims of domestic violence.

**Outcome 1:** Successfully ensure the safety of the women and children in care, as measured by the percentage of women and children who reentered the domestic violence crisis system.
II. STOP VIOLENCE AGAINST WOMEN FORMULA GRANT PROGRAM (VAWA)

Purpose
The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation. The Services, Training, Officers, and Prosecution (STOP) Violence Against Women Formula Grant Program (VAWA) is designed to promote a coordinated, multidisciplinary community response to combating violence against women and to encourage collaborative efforts between members of law enforcement, prosecution, nonprofit victim service providers and the courts to address the issues of domestic violence, dating violence, stalking, and sexual assault in a manner that promotes victim safety and offender accountability.

Award Limits
The STOP Program, administered by the Office of Victim Services and Justice Grants (OVSJG) under the authority of the Department of Justice, Office on Violence Against Women, announces the availability of grant funds to encourage the development and strengthening of effective, victim-centered law enforcement, prosecution, and court strategies to combat violent crimes against women, and to develop and enhance victim services that address violence against women in the District of Columbia.

The program allocates at least 25 percent to law enforcement, at least 25 percent to facilitate prosecution, at least 30 percent to nonprofit, nongovernmental victim services, and at least five percent to courts. Additionally, ten percent of the victim services category will be disseminated to culturally linguistic and specific services. The remainder of up to 15 percent may be allocated at the District’s discretion. This formula is a statutory requirement and allocations may not be redistributed or transferred to another area.

- Training law enforcement officers, judges, other court personnel, and prosecutors to more effectively identify and respond to violent crimes against women, including the crimes of sexual assault, stalking, domestic violence, and dating violence.

- Developing, enlarging, or strengthening victim services programs, including sexual assault, stalking, domestic violence, and dating violence programs, developing or improving delivery of victim services to underserved populations, providing specialized domestic violence court advocates in courts where a significant number of protection orders are granted, and increasing reporting and reducing attrition rates for cases involving violent crimes against women, including crimes of sexual assault, stalking, domestic violence, and dating violence.

- Developing, enlarging, or strengthening programs addressing stalking.

- Supporting formal and informal statewide, multidisciplinary efforts, to the extent not supported by state funds, to coordinate the response of State law enforcement agencies, prosecutors, courts, victim services agencies, and other state agencies and departments, to violent crimes against women, including the crimes of sexual assault, stalking, domestic violence, and dating violence.

- Training of sexual assault forensic medical personnel examiners in the collection and preservation of evidence, analysis, prevention, and providing expert testimony and treatment of trauma related to sexual assault.

- Providing assistance to victims of domestic violence, stalking, and sexual assault in immigration matters.

- Increase support for sexual assault services, including law enforcement response and prosecution.
Match Requirement
There is no sub-grantee match requirement for STOP Formula Grants.

STOP Specific Restrictions on Use of Funds
The following is a summary of highlighted restrictions on the use of STOP Formula funds.

Children’s Intervention/Prevention Programs
STOP funds may NOT be used to support services that focus exclusively on children or the development of sexual assault or domestic violence curricula for schools. Under a new purpose area created by VAWA 2005, however, STOP funds may also support “complementary new initiatives and emergency services for victims and their families.” For example, STOP funds may support services for secondary victims such as children who witness domestic violence.

Teen Dating Violence
In general STOP funds should focus on adult victims. However, for dating violence, victims may be teens, as long as the teen is the direct victim of abuse by a dating partner, rather than a child of a domestic violence victim. The age of majority and emancipation is defined by the individual state or District, because state law is determinative in such matters. Hence, state statues guide the distinction between “adult” and “juvenile.”

Legal Services
STOP grant funds may not be used to support services for obtaining divorces. Divorces and legal separations are civil proceedings that fall outside the scope of the purposes for which STOP funds may be used. Since it is consistent with the overall intent of the statute, legal assistance to victims attempting to obtain civil protective orders may be supported. The STOP grant program expressly prohibits the use of funding for legal or defense services for perpetrators of violence against women.

Abuser Intervention Programs
Discretionary funds may be used to support batterers’ intervention programming if the program is part of a graduated system of sanctions that uses the coercive power of the criminal justice system to hold abusers accountable and for changing their behavior.

Annual Report
The sub-grantee shall also submit to OVSJG a completed Annual Federal Sub-Grant Award Performance Report (SAPR) report. This will be a comprehensive report that will document data collected on project activities during the calendar year from January 1st through December 31st. This report is due no later than thirty (30) days after the end of the grant period for inclusion in the Annual SAPR Administrators Report to the federal Office on Violence Against Women (OVW). From time to time, OVSJG may require the sub-grantee to submit other reports and materials during the project period in the form and manner as prescribed by OVSJG. Sub-grantees who do not comply with submission requirements will be denied requests for reimbursements for all grant awards received from OVSJG.

Memoranda of Understanding and/or Letters of Support
All STOP applications must include at least three (3) letters of support. These letters should be representative of a multi-disciplinary support base and demonstrate the need, the intended use and expected results from the use of the grant funds.
Strong preference is given to organizations and agencies that provide signed Memoranda of Understanding in lieu of or in addition to letters of support. Memoranda of Understanding should detail how the applicant intends to collaborate with other victim service providing agencies within the systems of care available for victims.

All prosecution, law enforcement, and court applicants must also submit a Victim Services Consultation Certification letter which attests that the applicant consulted with local victim services programs during the course of developing their grant application. Please see the sample Victim Services Consultation Certification letter provided in the attachments section of this RFA. All prosecution and law enforcement applicants must submit a Forensic Compliance Certification letter which attests that the applicant does not require a victim of sexual assault to cooperate with law enforcement or participate in the criminal justice system in order to be provided with a forensic medical exam and/or reimbursed for charges incurred on account of such exam. Please see the sample Forensic Compliance Certification letter provided in the attachments section of this RFA.

III. CRIME VICTIM ASSISTANCE GRANT PROGRAM (VOCA)

Purpose
The purpose of the Crime Victim Assistance Program (VOCA) is to improve the treatment of victims of crime by providing victims with the assistance and services necessary to aid their restoration after a violent criminal act, and to support and aid them as they move through the criminal justice process. Victim assistance includes services such as crisis intervention, counseling, emergency transportation to court, temporary housing, and criminal justice support and advocacy. Funds for the VOCA Program are authorized by the Victims of Crime Act of 1984, as amended, 42 U.S.C. 10601, et seq.

Award Limits
The VOCA Program, administered by the Office of Victim Services and Justice Grants (OVSJG) under the authority of the Department of Justice, Office for Victims of Crime announces the availability of VOCA grant funds. The Office of Victim Services and Justice Grants will fund multiple awards under each of the four target populations of victims listed below:

<table>
<thead>
<tr>
<th>Target Population</th>
<th>Percent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sexual Assault</td>
<td>At least 10%</td>
</tr>
<tr>
<td>Domestic Violence</td>
<td>At least 10%</td>
</tr>
<tr>
<td>Child Abuse</td>
<td>At least 10%</td>
</tr>
<tr>
<td>Underserved¹</td>
<td>At least 10%</td>
</tr>
</tbody>
</table>

¹ The Department of Justice identifies the underserved category of victims as being under-served based on gaps in services for this population. These underserved victims of either adult or juvenile offenders may include, but are not limited to, victims of federal crimes, drunk drivers, assault, robbery, gang violence, hate and bias crimes, bank robbery, economic exploitation and fraud, elder abuse, survivors of homicide victims, victims that are disabled, and non-English speaking victims. Applicants responding to this category of victims of crime must describe the victims to be served and provide adequate documentation that the victims are under served.
Eligible Applicants
To be eligible to receive VOCA funds, organizations must be operated by public or nonprofit entities, or a combination of both, and provide services to crime victims.

All applicants must be able to certify that they have read and are in compliance with the VOCA Certification of Assurance and VOCA Program Guidelines (https://www.ovc.gov/voca/vaguide.htm). Additional eligibility requirements can be found in the VOCA sub-recipient Organization and Eligibility Requirements document found in the attachments section of this RFA.

Eligible Program Areas
This RFA will only give consideration to direct services for victims of crime. This includes direct services to incarcerated victims of crime.

For a detailed list of services, activities, and costs that are eligible for support with VOCA grant funds please reference the VOCA Sub-recipient Organization and Eligibility Requirements document found in the attachments section of this RFA.

Match Requirement
Matching contributions of 20% (cash or in-kind) of the total cost of each VOCA project (VOCA grant plus match) are required for each VOCA-funded project and must be derived from non-federal sources, except as provided in the OJP Financial Guide. All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period. Match must be provided on a project-by-project basis. In-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project.

The 20% match calculation is computed by dividing the amount of the award by .80 and subtracting the amount of the award from the figure obtained.

Example: a $30,000 award divided by .80 equals $37,500, less $30,000 award equals $7,500 match.

\[
\begin{align*}
\text{Project Total} & \quad 37,500 = 30,000 \\
\text{Non-match} & \quad 80% \\
\text{Project Total} & \quad - \quad 30,000 = 7,500 \text{ - (Match requirement)} \\
\text{Grant Funds} & \quad \text{(20% Match)}
\end{align*}
\]

OVSJG will consider all written requests to waive the Match requirement from applicants that meet the extraordinary need requirement outlined in section IV.B.4.b.(3) of the VOCA Victim Assistance Final Program Guidelines https://www.ovc.gov/voca/vaguide.htm and section 94.118(b)(3) of the VOCA Victim Assistance Program Final Rule https://www.ovc.gov/pubs/comparison-VOCA-victim-assistance-guidelines-and-final-rule.pdf

VOCA Specific Restrictions on Use of Funds
For a detailed list of restrictions on the use of VOCA funds please reference the VOCA Sub-recipient Organization and Eligibility Requirements document found in the attachments section of this RFA.
Annual Report
The sub-grantee shall submit to OVSJG a completed Annual Performance Report. This will be a comprehensive report providing information on the activities supported and an assessment of the effects that the VOCA victim assistance funds have had on services to crime victims within the District for a one-year period of October 1st through September 30th. This report is due no later than thirty (30) days after the end of the grant period for inclusion in the Annual VOCA Administrators Report to the federal Office for Victims of Crime. From time to time, OVSJG may require the sub-grantee to submit other reports and materials during the project period in the form and manner as prescribed by OVSJG. Sub-grantees who do not comply with submission requirements will be denied requests for reimbursements for all grant awards received from OVSJG.

Quarterly Report
The sub-grantee agrees to submit quarterly performance reports on the performance metrics identified by OVC (https://ojpss.ojp.gov), and in the manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction.

Memoranda of Understanding and/or Letters of Support
All VOCA applications must include at least three (3) letters of support. These letters should be representative of a multi-disciplinary support base and demonstrate the need, the intended use and expected results from the use of the grant funds. Strong preference is given to organizations and agencies that provide signed Memoranda of Understanding in lieu of or in addition to letters of support. Memoranda of Understanding should detail how the applicant intends to collaborate with other victim service providing agencies within the systems of care available for victims.

IV. SEXUAL ASSAULT SERVICES FORMULA GRANT PROGRAM (SASP)

Purpose
The Sexual Assault Service Program (SASP) was created by the Violence Against Women and Department of Justice Reauthorization Act of 2005 and is the first federal funding stream solely dedicated to the provision of direct intervention and related assistance for victims of sexual assault.

Women and men of all ages, as well as children, can be victims of sexual assault. The perpetrator can be a relative, acquaintance (e.g. boyfriend/girlfriend, friend, coworker, neighbor), or a stranger. Nearly half of all women and one in five men experienced some form of sexual violence in their lifetime. Also, nearly one in five (18.3%) women and one in 71 men (1.4%) in the US have been raped at some time in their lives.  

For many victims, it may take years to heal from the physical and psychological trauma caused by rape and other forms of sexual violence. Victims/survivors often need support from family and friends, as

---

well as critical and direct intervention and related assistance from victim-centered social service organizations, such as rape crisis centers, 24-hour sexual assault hotlines, crisis intervention, and medical and criminal justice accompaniment.

The Sexual Assault Services Formula Grant Program (SASP Formula Grant Program) directs grant dollars to states and Territories to assist them in supporting rape crisis centers and other nonprofit, nongovernment organizations that provide core services, direct intervention and related assistance to victims of sexual assault. Rape crisis centers and other nonprofit organizations, such as dual programs providing both domestic violence and sexual violence intervention services, play a vital role in assisting sexual assault victims through the healing process, as well as assisting victims through the medical, criminal justice and other support systems. Funds provided through the SASP Formula Grant Program are designed to supplement other funding sources directed at addressing sexual assault on the state and Territorial level.

Eligible Applicants
The following entities in the District of Columbia are eligible to apply for SASP Formula Grant Funding:
- Rape crisis centers.
- Nonprofit, nongovernmental organizations which support dual programs addressing domestic violence and sexual assault in direct intervention.

Under SASP Formula Grant Program, grant funds cannot be used to support sexual assault forensic examiner projects or criminal justice activities (e.g., law enforcement, prosecution, courts or forensic interviews).

Eligible organizations must serve persons of all ages and genders, although a SASP funded program may be geared toward a specific group.

Eligible Program Areas
The SASP Program strongly encourages projects that:
- Support rape crisis centers in providing direct intervention and related assistance services.
- Support dual programs that provide sexual assault and domestic violence services to enhance the provision of sexual assault-related direct intervention and related assistance services.
- Retain core services for victims of sexual assault.
- Increase support for underserved populations in a culturally appropriate manner.

Match Requirement
There is no sub-grantee match requirement for SASP Grants.

Restrictions on Use of Funds
- Research projects
- Sexual assault forensic examiner projects
- Activities focused on prevention efforts (e.g., bystander intervention, social norm campaigns, presentations on health relationships, etc.)
- Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews
• Providing domestic violence services that do not relate to sexual violence

Annual Report
The sub-grantee shall also submit to OVSJG a completed Annual Federal Sub-Grant Award Performance Report (SAPR) report. This will be a comprehensive report that will document data collected on project activities during the calendar year from January 1st through December 31st. This report is due no later than thirty (30) days after the end of the grant period for inclusion in the Annual SAPR Administrators Report to the federal Office on Violence Against Women (OVW). From time to time, OVSJG may require the sub-grantee to submit other reports and materials during the project period in the form and manner as prescribed by OVSJG. Sub-grantees who do not comply with submission requirements will be denied requests for reimbursements for all grant awards received from OVSJG.

Memoranda of Understanding and/or Letters of Support
All SAP applications must include at least three (3) letters of support. These letters should be representative of a multi-disciplinary support base and demonstrate the need, the intended use and expected results from the use of the grant funds. Strong preference is given to organizations and agencies that provide signed Memoranda of Understanding in lieu of or in addition to letters of support. Memoranda of Understanding should detail how the applicant intends to collaborate with other victim service providing agencies within the systems of care available for victims.

Application Review

This is a competitive solicitation. OVSJG does not guarantee funding, funding amounts, nor funding source based on previous awards. Applications will be reviewed and scored by external peer reviewers and/or internal reviewers to determine which projects will be funded. Peer reviewers and/or internal reviewers will assign scores based on the required elements listed in proposal instructions.

The Office of Victim Services and Justice Grants will consider eligibility of costs and project activities contained in the application based on District and federal grant requirements; past performance of the applicant (including compliance with provisions of grant agreements, if applicable); overall priorities of the District; amount of funds available to meet the requests and known community need.
NOTE: Organizations are strongly encouraged to demonstrate strong collaborations in the District’s continuum of services. Applicants must have at least one formalized Memorandum of Understanding that clearly outlines their role in collaboration with other victim service agencies and/or other related organizations in the District.

Review Process and Decision on Awards
The Office of Victim Services and Justice Grants may use either internal peer reviewers, external peer reviewers, or a combination of both to review the applications under this RFA. An external peer reviewer is an expert in the field of the subject matter of a given solicitation who is NOT a current District of Columbia government employee. An internal reviewer is an expert in the field of the subject matter of a given solicitation who is a current District of Columbia government employee. Applications will be screened initially to determine whether the applicant meets all eligibility requirements. Only applications submitted by eligible applicants that meet all other requirements (such as timeliness, proper format, and responsiveness to the scope of the RFA) will be evaluated, scored, and rated by a peer review panel. Peer reviewers’ ratings and any resulting recommendations are advisory only. In addition to peer review ratings, considerations may include, but are not limited to, underserved populations, strategic priorities, past performance, and available funding.

The final decision on awards rests solely with the Director of the Office of Victim Services and Justice Grants. After reviewing the recommendations of the review panel, information gathered during the internal review, and any other information considered relevant, the Director of OVSJG shall decide which applicants to fund, amounts to be funded, and funding source. Note: As there are generally far more requests for funds than funds available, applicants may not be chosen for funding or may receive only partial funding for the project.

Award Notification
The Office of Victim Services and Justice Grants follows the competitive process for awarding grants in accordance with the OVSJG Grant Management Policies and Procedures Manual and the City-Wide Grants Manual and Sourcebook. All applications will be considered under the federal and District guidelines that determine allowable expenses and activities.

The Office of Victim Services and Justice Grants will notify all applicants of the final award decisions within ten working days of the determination. For those applicants receiving funding, this notice will include the amount of funds to be granted, identify any unallowable costs that the application contains, note any reduction in funding from the initial request, and outline the necessary steps the applicant must complete to establish the grant award.

Decision Review Process
An applicant has ten (10) calendar days from the date the notification letter is sent to request in writing a more elaborate explanation of OVSJG's decision. The request should be sent to the following address:

Office of Victim Services and Justice Grants
ATTN: FY 2020 Victim Services Grant Application Inquiry

H. INDIRECT COSTS

If the applicant possesses a negotiated indirect cost rate (NICRA), they can submit it in this section and request reimbursement for operating expenses at said rate. Any costs included in the calculation of the NICRA cannot also be requested as direct costs. NICRA documentation must be submitted with the application.

Alternatively, applicants can request reimbursement of the "de minimis" rate which is 10% of the Modified Total Direct Costs (MTDC). When using this method, cost must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. Also, if this method is chosen then it must be used consistently for all awards.

What is the Modified Total Direct Cost, or MTDC?

This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first $25,000 of each subaward (regardless of the period of performance of the subawards under the award).

- MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of $25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with approval.

Applicants must demonstrate the calculations of the de minimis.

APPENDIX A: DATA AND OUTCOME MEASURES

Data Measures

All sub-grantees will be required to report the following information on a quarterly basis. These data measures are also located on the OVSJG webpage.

Number of unique primary victims served by OVSJG funding each quarter. (For the purposes of this performance measure, unique means one person. In this number, you should count both new and continuing victims. A primary victim is a person who has been directly injured as the result of the crime; it is the person against whom the crime was committed. A primary victim is the direct target of the victimization and/or was the person that is legally considered the victim of the crime. Sub-grantees may not count a person twice in this category even if that person received more than one service.)

New vs. Continuing

**Number of unique secondary victims** served by OVSJG funding each quarter. (For the purposes of this performance measure, unique means one person. In this number, you should count both new and continuing victims. A secondary victim is a person who has been injured as the result of the primary victim’s victimization; it is a person who, by the nature of their relationship to the primary victim, is injured. It is understood that a sub-grantee may not serve secondary victims or may not track secondary victims. However, a person who is injured as the result of a loved one’s homicide is, by definition, a secondary victim. Sub-grantees may not count a person twice in this category even if that person received more than one service.)

**New vs. Continuing**
- **New** secondary victims served (e.g. victims who began service during this reporting period)

Number of unique (primary and secondary, new and continuing) victims served by the organization’s victim services programs as a whole each quarter. (This performance measure should include, but not be limited to, the number served by OVSJG funding. For organizations that serve populations other than crime victims, this number is the total number of people served by the organization’s crime victim services or violence prevention program only.)

Location of residence for each unique new crime victim served each quarter (both primary and secondary). (For the purposes of this performance measure, unique means one person. Sub-grantees may not count a person twice in this category even if that person received more than one service. Location of residence means the zip code in which the crime victim resides. If the crime victim has a permanent address out of the District, there will be a category to capture that data. If the crime victim has no fixed address, there will be a category to capture that data. While OVSJG will accept “Unknown” as a category, every effort should be made by the sub-grantee to determine the crime victim’s location of residence.

Sub-grantees should list a crime victim in the category (or categories) for which the crime victim accessed or is accessing services right now. Examples include homicide, intimate partner violence, sexual assault, child physical or sexual abuse, and stalking (For the purposes of this performance measure, clients who are victims of multiple crimes may be counted in more than one category. It is possible that the number generated in this performance measure does not equal the total number of unique victims served. For example, one unique victim may have been a victim of both intimate partner violence and sexual assault. That would be counted in both categories.)

Crime Victims Assistance Grant Program (VOCA) Sub-recipient Organization and Eligibility Requirements

Certification of Assurance
VOCA establishes eligibility criteria that must be met by all organizations that receive VOCA funds. These funds are to be awarded to sub-recipients only for providing services to victims of crime through their staff. This certified assurance document outlines the criteria used to determine an organization’s eligibility for receiving VOCA funds, what type of organizations are eligible to become sub-recipients and details the allowable and unallowable costs at the sub-recipient level. In addition, all sub-recipients must certify that they have read and will comply with VOCA, the Program Guidelines, and the OJP Financial Guide. This assurance form does not replace the Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions (Sub-recipient), OJP Form 4061/1, currently signed by all VOCA sub-recipients.

Organization Eligibility Requirements
Each sub-recipient organization must meet the following requirements to be considered for funding:

- **Public or Nonprofit Organization** – To be eligible to receive VOCA funds, organizations must be operated by public or nonprofit organizations, or a combination of such organizations, and provide services to crime victims.

- **Record of Effective Services** – Demonstrate a record of providing effective services to crime victims. This includes having the support and approval of its services by the community.

- **Program Match Required** – Matching contributions of 20% (cash or in-kind) of the total cost of each VOCA project (VOCA grant plus match) are required for each VOCA-funded project and must be derived from non-federal sources, except as provided in the OJP Financial Guide. All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period. Match must be provided on a project-by-project basis. In-kind match may include (donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project). Sub-grantee will report Match quarterly.

- **Record Keeping** – VOCA sub-recipients must maintain records that clearly show the source, the amount, and the period during which the match was allocated. The basis for determining the value of personal services, materials, equipment, and space must be documented. Volunteer services must be documented, and to the extent feasible, supported by the same methods used by the sub-recipient for its own paid employees.

- **Volunteers** – Sub-recipient organizations must use volunteers unless the state grantee determines there is a compelling reason to waive this requirement. Sub-grantee will collect time records for Volunteer hours worked.
• **Promote Community Efforts to Aid Crime Victims** – Promote, within the community, coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims. *Coordination efforts qualify an organization to receive VOCA victim assistance funds, but are not activities that can be supported with VOCA funds.*

• **Help Victims Apply for Compensation Benefits** – Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with application forms and procedures, obtaining necessary documentation, and/or checking claim status.

• **Comply with Federal Rules Regulating Grants** – Sub-recipients must comply with the applicable provisions of VOCA, the *Program Guidelines*, and the requirements of the *OJP Financial Guide*. The OJP Financial Guide is available online at: [http://www.ojp.usdoj.gov/finguide06/index.htm](http://www.ojp.usdoj.gov/finguide06/index.htm)

• **Maintain Civil Rights Information** – Maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by the state grantee; and permit reasonable access to its books, documents, papers and records to determine whether the sub-recipient is complying with the applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.

• **Comply with State Criteria** – Sub-recipients must abide by any additional eligibility or service criteria as established by the state grantee including submitting statistical and programmatic information on the use and impact of VOCA funds, as requested by the grantee.

• **Services to Victims of Federal Crimes** – Sub-recipients must provide services to victims of federal crimes on the same basis as victims of state/local crimes.

• **No Charge to Victims for VOCA –Funded Services** – Sub-recipients must provide services to crime victims, at no charge, through the VOCA-funded project.

• **Client Counselor and Research Information Confidentiality** – Maintain confidentiality of client-counselor information, as required by state and federal law.

• **Confidentiality of Research Information** – Except as otherwise provided by federal law, no recipient shall use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with VOCA.

• **Compliance with applicable rules regarding approval, planning and reporting of conferences, meetings, trainings, and other events**
  The recipient, and any subrecipient (“subgrantee”) at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related...
to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conference.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3, 10 of “Post Award Requirements” in the 2015 DOJ Grants Financial Guide”)

- **OJP Training Guiding Principles**
  Any training or training materials that the recipient—or any subrecipient (“subgrantee”) at any tier—develops or delivers with OJP award duns must adhere to the OJ Training Guiding Principles for Grantees and Subgrantees, available at [http://ojp.gov/funding/opjptrainingguidingprinciples.htm](http://ojp.gov/funding/opjptrainingguidingprinciples.htm)

- **Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 28**
  The recipient, and any subrecipient (“subgrantee”) at any tier, must comply with all application requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpar E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

- **Environmental Compliance**
  The recipient understands that all OJP awards are subject to the National Environmental Policy Act (NEPA, 42 U.S.C. section 4321 et seq.) and other related Federal laws (including the National Historic Preservation Act), if applicable. The recipient agrees to assist OJP in carrying out its responsibilities under NEPA and related laws, if the recipients plans to use VOCA funds (directly or through subaward or contract) to undertake any activity that triggers these requirements, such as renovation or construction. (See 28 C.F.R. Part 61, App D.) The recipient also agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.

- **Discrimination**
  The recipient understands and agrees that award funds may not be used to discriminate against or designate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.

New Programs that have not yet demonstrated a record of providing services may be eligible to receive VOCA funding if they can demonstrate that 25-50 percent of their financial support comes from non-federal sources. It is important that organizations have a variety of funding sources besides federal funding in order to ensure their financial stability.

**Eligible Sub-recipient Organizations**

VOCA specifies that an organization must provide services to crime victims and be operated by a public agency or nonprofit organization, or a combination of such agencies or organizations in order to be eligible to receive VOCA funding. Eligible organizations include victim services organizations whose sole mission is to provide services to crime victims. These organizations include but are not limited to:
Sexual Assault and Rape Treatment Centers
Domestic Violence Programs and Shelters
Child Abuse Programs
Centers for Missing Children
Mental Health Services
Community-Based Victim Coalitions; and
Support Organizations including those who serve survivors of homicide victims.

In addition to victim services organizations, whose sole purpose is to serve crime victims, there are many other public and nonprofit organizations that have components which offer services to crime victims. These organizations are eligible to receive VOCA funds, if the funds are used to expand or enhance the delivery of crime victims’ services. These organizations include, but are not limited to the following:

- **Criminal Justice Agencies** — Such agencies as law enforcement organizations, prosecutors’ offices, courts, corrections departments, and probation and paroling authorities are eligible to receive VOCA funds to help pay for victims’ services. For example, prosecutor-based victim services may include victim-witness programs, victim notification, and victim impact statements, including statements of pecuniary damages for restitution. Corrections-based victim services may include victim notification, restitution advocacy, victim-offender mediation programs, and victim impact panels. Police-based victim services may include victim crisis units or victim advocates, victim registration and notification, and cellular phone and alarm services for domestic abuse victims. In general, VOCA funds may be used to provide crime victim services that exceed a law enforcement official’s normal duties. Regular law enforcement duties such as crime scene intervention, questioning of victims and witnesses, investigation of the crime, and follow-up activities may not be paid for with VOCA funds.

- **Religiously-Affiliated Organizations** — Such organizations receiving VOCA funds must ensure that services are offered to all crime victims without regard to religious affiliation and that the receipt of services is not contingent upon participation in a religious activity or event.

- **State Crime Victim Compensation Agencies** — Compensation programs, including both centralized and decentralized programs, may receive VOCA assistance funds if they offer direct services to crime victims that extend beyond the essential duties of compensation staff such as claims investigations, distribution of information about compensation and referral to other sources of public and private assistance. Such services would include assisting victims in identifying and accessing needed services and resources.

- **Hospitals and Emergency Medical Facilities** — Such organizations must offer crisis counseling, support groups, and/or other types of victim services.
