I. General Information

A. Introduction

The Executive Office of the Mayor, Office of Victim Services and Justice Grants (OVSJG), provides Federal and District funding to local initiatives that improve public safety; enhance the administration of justice; and create systems of care for crime victims, youth, and their families in the District. OVSJG is the State-Administering Agency (SAA) responsible for the direction of systemic criminal justice planning, coordination, management, research, training, and technical assistance. OVSJG also provides policy making expertise, advice, and counsel to the Executive Office of the Mayor on the role of victims and offenders in the criminal justice system, and evidence-based practices to respond to, intervene in, and prevent violence.

The Office of Victim Services and Justice Grants is pleased to announce that it is seeking applications for competitive funding to provide reentry and juvenile delinquency prevention services. Additionally, District agencies may apply for federal funding under the Residential Substance Abuse Treatment (RSAT) Program, the Coverdell Forensic Science Improvement Grants Program, the Prison Rape Elimination Act (PREA) Grant Program, and the Title II Grant Program for Juvenile Justice Delinquency Prevention (JJDP) Act compliance activities.

B. Administrative Requirements

Submission Requirement

Each proposal submitted should indicate their funding preference, e.g., Juvenile Justice or Reentry. However, OVSJG reserves the right to award funds under any of the above funding sources, despite the applicant's preference.

Availability of Funds

The funding period is **October 1, 2019 through September 30, 2020**. All grant expenditures must occur within this time frame. Any costs that are incurred either before the start of the project period or after the expiration of the project period are not allowable.

The Office of Victim Services and Justice Grants also reserves the right to, without prior notice, reduce or cancel one or more programs listed in this RFA, reject all applications, adjust total funds available, or cancel the RFA in part or whole. Funding levels in the respective program areas and budget amount in any awarded grant, grant agreement, or Memorandum of Understanding are contingent on the continued Federal or District funding, sub-grantee performance, and/or reduction, elimination, or reallocation of federal funds by the US Congress and/or the US Department of Justice, and in accordance with applicable sections within the grant award and/or agreement.

Eligibility and Award Limitations

Any public or private, community-based non-profit agency, organization or institution located in the District of Columbia is eligible to apply. For profit organizations are eligible but may not

include profit in their grant application. For-profit organizations may also participate as subcontractors to eligible agencies.

Applicants for reentry and juvenile delinquency prevention funding may request up to \$125,000 per application. Final award amounts are dependent upon the quality of proposals, program design, and the availability of funds.

Only District agencies are eligible to apply for pass-through, formula funding available under Title II Juvenile Justice Delinquency Prevention (JJDP) Act Compliance, Residential Substance Abuse Treatment (RSAT), Prison Rape Elimination Act (Adult and Juvenile), and Paul Coverdell Forensic Science Improvement Grant Program funds.

Application Deadline

The electronic application properly executed by an Authorized Official must be submitted to the Office of Victim Services and Justice Grants **no later than 11:59pm, May 31, 2019**. Applications received manually will NOT be accepted. Please be advised that it is the applicant's responsibility to ensure that the application is submitted electronically through ZoomGrants™ by the deadline. Any proposal received after the specified time will be considered INELIGIBLE and will NOT be reviewed for funding. You can access ZoomGrants via the OVSJG website, current funding page under the funding announcement for this RFA (<https://ovsig.dc.gov/page/current-funding>).

Audit Requirement

All applicants are required to provide a copy of their most recent and complete set of audited financial statements available for their organization. The most recent and complete set of audited financial statements must be dated within one calendar year from the date of the application.

Applicants that received in the past fiscal year more than \$750,000.00 in funding from state and federal entities must also include their Single Audit Report. If audited financial statements have never been prepared due to the size or newness of an organization, the applicant must provide, at a minimum, an Organizational Budget, an Income Statement (or Profit and Loss Statement), and a Balance Sheet certified by an authorized representative of the organization, and any letters, filings, etc. submitted to the IRS within the three (3) years before the date of the grant application. Failure to include them may lead to an automatic rejection of the application. OVSJG also reserves the right to award funds under this RFA and withhold disbursement of funds pending a current audit report.

Internal Revenue Service Requirement

All applicants must submit evidence of being a legally-authorized entity (e.g. 501(c)(3) determination letter) and a current business license (if relevant for the applicant's business status) and any correspondence or other communication received from the IRS within three years before submission of the grant application that relates to the applicant's tax status.

This requirement should not be construed to mean that all applicants are required to be a 501(c)(3) entity.

Disclosure of Legal Proceedings

All applicants are required to disclose in a signed written statement, provided on organizational letterhead, the truth of which is sworn or attested to by the applicant's' authorized official, whether the applicant, or where applicable, that its officers, partners, principals, members, associates or key employees, within the last three (3) years prior to the date of the application, has not:

- 1) Been indicted or had charges brought against them (if still pending) and/or been convicted of:
 - (a) Any crime or offense arising directly or indirectly from the conduct of the applicant's organization, or
 - (b) Any crime or offense involving financial misconduct or fraud, or
- 2) Been the subject of legal proceedings arising directly from the provision of services by the organization.

If the response is in the affirmative, the applicant shall fully describe any such indictments, charges, convictions, or legal proceedings (and the status and disposition thereof) and surrounding circumstances in writing and provide documentation of the circumstances.

Office of Tax and Revenue (OTR) Requirement

All sub-grantees must obtain and submit current year filing certification from the District of Columbia Office of Tax and Revenue (OTR) that the entity has complied with the filing requirements of District of Columbia tax laws, that they are current on all taxes including Unemployment Insurance and Workers' Compensation premiums and that the entity has paid taxes due to the District of Columbia or is in compliance with any payment agreement with OTR.

Award Notification

OVSJG follows the competitive process for awarding grants in accordance with the *City-Wide Grants Manual and Sourcebook* (www.opgs.dc.gov) and all applications will be considered under the Federal and District guidelines that determine allowable expenses and activities.

OVSJG will notify all applicants of the final award decisions within ten (10) working days of the determination. For those applicants receiving funding, this notice will include the amount of funds to be granted, identify any unallowable costs that the application contains, note any reduction in funding from the initial request, and outline the necessary steps the applicant must complete to establish the grant award.

Payments Provisions

The Government of the District of Columbia shall make payments on invoiced amounts in accordance with the terms of the grant agreement, which may result from submissions to this

RFA. Grant funds will be awarded on a cost reimbursement basis. At any time before final payment and three (3) years thereafter, the Government of the District of Columbia may conduct an audit of the grantee's expenditure statements.

Restrictions on the Use of Funds

In addition to any specific funding restrictions described in this RFA, all grantees must expend grant funds in accordance with the cost principles delineated by the Office of Management and Budget (OMB) and the U.S. Department of Justice, Office of Justice Programs Financial Guide (<http://www.ojp.usdoj.gov/financialguide/>) and the District of Columbia [City-Wide Grants Manual and Sourcebook](#).

Funding to Faith-based Organizations

Applicants from faith-based organizations (FBOs) are invited and encouraged to apply for eligible grant activities described in this RFA. Faith-based organizations will be considered for awards on the same basis as other eligible applicants and will be treated on an equal basis with other sub-grantees should they receive an award. No eligible applicant or sub-grantee will be discriminated for or against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization. However, grant funds may not be used to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Funded FBOs may, of course, engage in religious activities; however, these activities must be separate in time or location from the OVSJG funded program. Moreover, funded FBOs must not compel program beneficiaries to participate in inherently religious activities. Funded faith-based organizations must also not discriminate on the basis of religion in the delivery of services or benefits.

Civil Rights Requirements

Successful applicants must be able to demonstrate compliance with Federal and District civil rights requirements. If an applicant is selected for a grant award, it will be required to post and display the *District of Columbia Equal Employment Opportunity* poster in a conspicuous area accessible to employees and appoint an Equal Opportunity (EO) Coordinator within the organization who will provide support and oversight to staff and service beneficiaries.

Applicants must agree to comply with the **District of Columbia Language Access Act**. The District's Language Access Program exists to ensure District residents who are limited or non-English proficient are afforded equal access to information and services provided by the District. Residents or visitors who speak little or no English must be offered interpretation services and/or translated documents when obtaining government services, as required by the Language Access Act of 2004. All applicants to this RFA must agree to provide language access for residents who speak Amharic, Chinese, French, Korean, Spanish, and Vietnamese. Language access includes access to certified interpreters and translated materials. *All applications should demonstrate a plan to ensure compliance with the District's Language Access Program.*

Applicants must agree to comply with all applicable Federal civil rights laws; make every effort to provide accessible programming to individuals with Limited English Proficiency; and comply with federal regulation 28 C.F.R. Part 38, governing “Equal Treatment for Faith based Organizations” (the Equal Treatment Regulation). The Equal Treatment Regulation provides that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the DOJ funded program, and participation in such activities must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of the beneficiary’s religion. Notwithstanding any other special condition of this award, faith based organizations may in some circumstances consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm

Non-discrimination in Hiring and Delivery of Services and Discrimination Reporting

In accordance with the below listed applicable federal statutes, as well as District non-discrimination requirements, grantees agree to not discriminate in their hiring practices and provision of services against any and all protected populations. In addition, grantees agree to notify OVSJG within 48 hours of any and all employee or beneficiary formal complaints of discrimination against their organization, and to more generally comply with all civil rights hiring and beneficiary service policies and procedures as identified in the below listed applicable statutes. Applicable statutes may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §§ 10228(c) and 10221(a)); the Victims of Crime Act (34 U.S.C. § 20110(e)) ; the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. § 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 U.S.C. § 6101-07); the Violence Against Women Act (VAWA) of 1994, as amended, 34 U.S.C. § 12291(b)(13); and the Department of Justice’s regulations implementing these civil rights statutes at 28 C.F.R. pt. 35, 42, and 54; and Ex. Order 13279 (Partnerships with Faith-Based and Other Neighborhood Organizations).

Insurance Requirement

All grantees will be required to provide in writing the name of all of its insurance carriers and the type of insurance provided (e.g., its general liability insurance carrier and automobile insurance carrier, workers’ compensation insurance carrier, fidelity bond holder). OVSJG will provide additional guidance on all required documentation at the time of award.

Additional Requirements

OVSJG reserves the right to require additional certifications and/or information in accordance with applicable Federal or District requirements including the *City-Wide Grants Manual and*

Sourcebook. OVSJG will provide written notice of any additional requirements at the time of the award.

Contingency Clauses

1. OVSJG reserves the right to make changes to this RFA, based on any clarifications in the regulations, legislative changes, or funding level fluctuations from the Federal and/or District government. Funding for sub-grantees is contingent on continued funding from the grantor.
2. This RFA does not commit OVSJG to award grants or sub-grants. OVSJG reserves the right to accept or reject any or all applications. The agency will notify all applicants of the rejected proposals. OVSJG may suspend or terminate an outstanding RFA pursuant to its own grant making rule(s) or any applicable Federal or District regulation or requirement.
3. OVSJG reserves the right to issue addenda and/or amendments subsequent to the RFA process or to rescind the RFA.
4. OVSJG shall not be liable for any costs incurred in the preparation of applications in response to RFA. Applicants agree that all costs incurred in developing the application are the applicants' sole responsibility.
5. OVSJG may conduct pre-award on-site visits to verify information submitted in the application and to determine if proposed facilities are appropriate for the proposed services.
6. OVSJG may require applicants to enter negotiations and submit a price, technical or other revision of their proposal that may result from negotiations.
7. If there are any conflicts between the terms and conditions of the RFA and any Federal or District law or regulation, or any ambiguity related thereby, then the provisions of the applicable law or regulation shall control and it shall be the responsibility of the applicant to ensure compliance.

Monitoring

The Grant Program Manager will monitor program services and financial administration pursuant to the terms of the grant agreement and will make onsite visits to the grantee's service facilities.

Monitoring efforts are designed to determine the grantee's level of compliance with Federal and/or District requirements and identify specifically whether the grantee's operational, financial and management systems and practices are adequate to account for program funds. Failure to be in compliance with requirements may result in payment suspension, payment reduction, or termination of the grant.

Risk Assessment Classification

If the application is awarded a grant, a risk assessment classification system will be used to assist in determining the level of grantee monitoring to be performed and the frequency thereof. After grants are awarded, each grantee will receive a risk classification based on past

financial and programmatic reporting of the grantee and documentation submitted with the application, and other factors as detailed in the [OVSJG Grant Management Policies and Procedures Manual](#).

If OVSJG determines that an award will be made to a high-risk organization, funding restrictions may be included. If OVSJG decides to impose any funding restrictions, then OVSJG will notify the organization in writing of the restriction, the reason(s), corrective actions, and process for requesting reconsideration.

Corrective Action and Termination of Funding

In the event the programmatic, financial, or documentation conditions of the grant are not being met in a thorough and timely fashion, progressive actions will be taken, at the discretion of OVSJG, up to and including termination of funding. A project which is prematurely terminated will be subject to the same requirements regarding audit, recordkeeping, and submission of reports as a project which runs for the duration of the project period.

Privacy and Confidentiality

Except as otherwise provided by federal law, no recipient of OVSJG funds shall use or reveal any research or statistical information furnished under OVSJG by any person, and identifiable to any specific private person, for any purpose other than the purpose for which such information was obtained in accordance with the OVSJG program funded. Such information, and any copy of such information shall be immune from legal process and shall not, with the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or judicial, legislative, or administrative proceeding. Client records will be kept confidential and secure in accordance with the District and Federal regulations. In accordance with standard practice, only aggregate data and/or individual data that are non-identifiable will be released.

Reporting

All grantees are required to submit quarterly programmatic reports and financial requests for reimbursement. The programmatic reports must indicate the status of the goals and objectives as determined by the grantee in their application, as well as the data and outcome measures as proscribed in the relevant Performance Management Initiative (PMI). The grantee should also include any successes or challenges encountered during the report period. The financial reports indicate the status of program spending by budget category and are submitted along with all receipts, invoices, or other documentation of expenditures. Both financial and programmatic reports are due no later than the 15th day after the end of the reported quarter. **Fourth quarter financial reports will be due by the 10th of October.**

Failure to submit complete programmatic reports by the required due date will result in withholding of reimbursements, as well as a Notice of Programmatic Delinquency. More than

one Notice of Programmatic Delinquency may result in the termination of funding for the fiscal year.

Recipients of federal funding may have additional reporting requirements.

C. Inquiries

Questions that cannot be answered by referring to sections of the RFA or that are specific to an applicant may be addressed by sending an email to ovsig@dc.gov. The email should contain the following details in the subject line: FY 2020 JG Grant Application Inquiry.

To ensure fairness and consistency, all questions not addressed in this RFA must be submitted in writing by e-mail. **All questions must be received by 5pm EDT May 20, 2019.** Questions and answers that result in an amendment to the RFA will be posted on the OVSJG website and the Office of Partnerships and Grant Development, District Grants Clearinghouse at: <http://www.opgs.dc.gov>. Oral explanations or instructions given prior to the award of grants will not be binding.

D. Performance Management

Performance management is a system of tracking progress for accomplishing goals, objectives and activities. Performance management provides direction as well as a basis for evaluating progress of applicants who received funding under this RFA. Applicants are required to provide a set of common data points and service-specific outcome measures that capture the results of their work.

Additionally, all applicants must develop a set of goals, objectives, and activities specific to the application that clearly illustrate how and when the identified services and needs of the target population(s) will be addressed. Goals are generally broad statements that encompass objectives and activities. Proposed objectives must describe a measurable outcome and activities should describe the specifics used to meet objectives. Applications should also include programmatic outcomes (e.g., the desired result of the goals, objectives, and activities) and a description of how the sub-grantee will measure the desired results.

Application-Specific Goals, Objectives, Activities, and Outcomes

Example of Goals, Objectives, and Activities Format:

Goal 1: To ensure immediate safety to victims of domestic violence

Objective 1: In FY 2020, provide case management to 200 victims of domestic violence.

Activity 1: Conduct lethality assessments with victims of domestic violence.

Activity 2: Develop safety plans with victims of domestic violence.

Outcome 1: Successfully ensure the safety of the women and children in care, as measured by the percentage of women and children who reentered the domestic violence crisis system.

Please be sure in your application to (1) specify the type of service that you will be providing; (2) indicate how you will capture the required data measures; (3) indicate how you will capture the outcome measures required for the type of service that you will be providing; and (4) detail how record-keeping will be achieved.

Please note that OVSJG reserves the right to conduct a site visit at any point during the grant period and request back-up documentation of all data measures and performance outcomes. All grantees are required to demonstrate the ability to collect data to support all services performed and all outcomes achieved. OVSJG also reserves the right to withhold reimbursement requests pending verification of all data provided. OVSJG also reserves the right to immediately disqualify any application that does not include performance and outcome measurements established in this section.

E. Application Review Criteria

Applications will be reviewed and scored to determine which projects will be funded. OVSJG will give consideration to: eligibility of costs and project activities contained in the application based on the specific Federal and District grant requirements; past performance of the applicant (including compliance with provisions of grant or sub-grant agreements); overall priorities of the District; amount of funds available to meet the requests; and known community need.

Application Scoring

Peer reviewers and internal OVSJG reviewers will review and score applications based on a 100-point scale allocated to the following criteria:

- **PROJECT/PROGRAM ACTIVITIES (30 pts.):** This factor evaluates the extent to which the proposal (including the concept, work plan, logic model and use of funding) are detailed, well organized, and feasible; the extent to which the proposed performance objectives are well designed and will measure intended outcomes.
- **EXPERIENCE, EXPERTISE, AND CAPACITY (30 pts.):** This factor evaluates an Applicant's relevant experience in successfully implementing projects of similar size and scope; extent to which the Proposal supports the Applicant's mission and is in line with its expertise; and the Applicant's organization capacity to implement the proposal and administer the grant.
- **OUTPUTS/OUTCOMES: (15 pts.):** This factor evaluates the extent to which the applicant has clearly delineated the outputs/outcomes, the benefits, and if the proposed use of funds is connected to such outcomes.
- **SUSTAINABILITY AND EVALUATION PLANS (10 pts.):** This factor evaluates the extent to which the applicant has clearly outlined a current and future sustainability plan for the proposed project/program, as well as how the applicant intends to track services, their impact, and how they will be measured.
- **BUDGET AND FISCAL/ADMINISTRATIVE OVERSIGHT (15 pts.):** This factor evaluates if the applicant clearly identifies the associated costs with implementation of this grant and demonstrates the capacity and internal controls needed to administer and track grant funding.

F. Review Process and Decision on Awards

OVSJG may use either internal peer reviewers, external peer reviewers or a combination of both to review the applications under this Consolidated Request for Applications (RFA). Applications will be screened initially to determine whether the applicant meets all eligibility requirements. Only applications submitted by eligible applicants that meet all other requirements (such as timeliness, proper format, and responsiveness to the scope of the RFA) will be evaluated, scored, and rated by a peer review panel.

The recommendations of the review panel are advisory only. The final decision on awards rests solely with the Director of the Office of Victim Services and Justice Grants. After reviewing the recommendations of the review panel, information gathered during the internal review, and any other information considered relevant, the Director of OVSJG shall decide which applicants to fund and the amounts to be funded. *Note: As there are generally far more requests for funds than funds available, applicants may not be chosen for funding or may receive only partial funding for the project.*

Decision Review Process

An applicant has ten (10) calendar days from the date the notification letter is sent to request in writing a more elaborate explanation of OVSJG's decision.

The request shall be sent to the following address:

Office of Victim Services and Justice Grants
ATTN: FY 2020 Grant Application Inquiry
441 4th Street, NW, Suite 727N
Washington, DC 20001

It may also be submitted via email to: ovsjg@dc.gov

The applicant must include a copy of the *Applicant Profile* with any correspondence. Otherwise, the Request will not be considered. Please refer OVSJG website ovsjg.dc.gov for complete "Dispute Resolution Policy" guidelines.

II. Juvenile Justice Funds

A. Purpose

The District of Columbia is committed to developing a juvenile justice system that not only affords juveniles the essential services and opportunities that will foster positive development but will better identify and connect juveniles and their families with appropriate community supports that will thwart formal entry or further penetration into the juvenile justice system. Accordingly, OVSJG seeks to fund programs that create community-based systems of care for youth and their families in the District, as well as programs that enhance the administration of the District's juvenile justice system. Specifically, this Request for Proposals seeks qualified applicants to deliver and implement projects within the following policy priority areas: delinquency prevention programming, restorative justice interventions, efforts to promote implementation of the JJDP Core Requirements and PREA Standards, and juvenile reentry supports.

Strong applications will be able to demonstrate how their work accomplishes one or more of the following juvenile justice policy priorities:

Delinquency Prevention

1. Prevent system penetration (arrest, detention, court-involvement)
2. Expand diversion options for juveniles at risk of entering the juvenile justice system
3. Reduce exclusionary disciplinary practices in schools

Restorative Justice

1. Provide more humane and developmentally appropriate responses to at-risk or justice-involved youth
2. Implement strategies that address conflict and repair harm in community-based settings
3. Support or promote increased cross-system collaboration among juvenile justice and education systems

Juvenile Reentry

1. Assist and support justice-involved youth in successful reentry to their home communities after placement at an out-of-home treatment facility or completion of a period of detention or confinement
2. Reduce the collateral consequences of court involvement
3. Reduce recidivism/promote public safety

JJDP Core Requirement/Title II PREA (pass-through funds for District agencies only)

1. Improve safety for justice-involved youth (i.e. improve conditions of confinement, supports adoption of PREA Standards, or supports compliance with JJDP core requirements)

Proposals for direct services should be supported by evidence-informed strategies and practices, as well as demonstrate a thorough understanding of adolescent development. Further, the application must clearly connect how the proposed program or project corresponds with at least one of the juvenile justice policy priorities outlined above in your project narrative, including a description of the expected impact to the selected policy priority area(s).

B. Target Population

Applicants must define their specific target population. All applicants must identify how their proposal addresses needs of youth under 21 years of age. Applicants proposing to serve youth not under juvenile court jurisdiction must demonstrate how their program identifies youth at risk of juvenile justice system or criminal justice system involvement.

C. Application and Award Requirements

Applicants must demonstrate their ability to meet the needs of youth through their identified program, as well as through collaboration with the many local systems before which a youth may appear or interact, including: schools, courts, law enforcement agencies, child protection agencies, mental health agencies, welfare services, and health care agencies. Applicants must demonstrate that funding will be used to improve and/or expand existing services in partnership with District agencies, community providers and other referral sources offering youth services.

Required Collaborations

All applications for funding must include at least three (3) letters of support. These letters should be representative of a multi-disciplinary support base and should demonstrate the need, the intended use, and the expected results from the use of grant funds. Letters must be addressed to OVSJG Director Michelle M. Garcia.

If the application includes proposed partnerships, a Memoranda of Understanding (MOU) is required, detailing the collaboration and roles and responsibilities of each partner. Where relevant to the application, a Memoranda of Understanding (MOU) with juvenile/criminal systems allowing access to secured, residential facilities must be in place.

Applicants must have capacity to provide a public health, trauma-informed, gender- and culturally-responsive program approach, which can be delivered with supporting partnerships with other service providers (as needed).

To be responsive to this RFA, applicants must provide appropriate responses in sections identified in the electronic application at www.zoomgrants.com and attach certified assurances signed by applicant's Authorized Official.

Applicants must also agree to participate in all OVSJG sponsored technical assistance and meetings post-award.

D. Experience Preferences

Applicants proposing to offer direct care services should demonstrate prior experience delivering services to at-risk or justice-involved youth. Applicants should demonstrate expertise in the appropriate areas related to their proposal. Examples include: positive youth development, mental health services, substance abuse treatment or prevention, educational support, etc. Applications should detail experience collaborating with agency professionals in DC's child welfare system, DC's juvenile justice system, DC's education system, and/or DC's mental and behavioral health systems.

Applicants are encouraged to partner with District agencies for referrals and program coordination to serve youth and family members.

Applicants proposing to offer pre- and post-release services for justice-involved individuals shall be responsible for obtaining clearances and authorizations for staff to work in secured correctional and/or juvenile facilities.

E. Pass-Through Funds (District Agencies Only)

Eligible District agencies may apply for pass-through funds related to Title II Juvenile Justice and Delinquency Prevention (JJDP) Act priorities.

Title II – Juvenile Justice and Delinquency Prevention

These funds focus on the Juvenile Justice Delinquency Prevention Act (JJDP) and support compliance monitoring of District facilities with the JJDP, as well as review of the District's efforts to reduce disproportionate minority contact and address racial and ethnic disparities within the justice community. Additionally, the funds may be utilized to support PREA compliance efforts in juvenile facilities.

Applicants must provide appropriate responses in sections identified in the electronic application at www.zoomgrants.com.

F. Evidence-based Programs and Practices

Applicants are highly encouraged to refer to recent population data, crime data, evidence-based programs in other jurisdictions, and service utilization reports to support their program design and project narrative. Refer to the Appendix section of this RFA for references.

OVSJG will give priority consideration to proposals that use evidence-based practices to respond:

- with strategies that promote social, emotional, behavioral well-being, and trauma-informed care of the target population and their families;
- with creative opportunities to engage youth and families in identifying barriers to meeting their needs or individual goals and providing sufficient resources; and
- with a plan for continuous program improvement through ongoing evaluation and assessments of program implementation and progress.

G. Data, Performance Measures, Outcomes and Impact

If selected for a grant award, applicants must provide program and fiscal data to OVSJG to track program successes or challenges and the use of awarded funds. Applicants must agree to collect and track program efforts and may be required to enter information into Federal and local data management systems. In addition, data must be provided at the individual or participant level in order to assess whether or not the program is being implemented as intended.

Data Collection

Applicants must be able to establish that they can track program related data. The data collected by the program should be clearly defined in the required logic model. Most data elements are defined as activities, inputs, and outputs. Examples of these data elements include:

- # of referrals made to program
- Program start date for participants (enrollment)
- Dates of program attendance
- # of participation hours by enrolled participants
- # of activities/classes held and frequency of activities
- # of referrals made by program to other support service or resource
- # referrals that turned into actual service connections
- Type of activities or classes youth are engaged in
- Date of completion or disenrollment (with reason)
- Total number of youth served
- # Individual development plans made for participants
- % of plan completed
- Development of MOUs/MOAs with partners
- Development of program materials
- Projects or learning modules completed by participants
- Case load ratios for staff

For selected grantees that receive funding under the Office of Juvenile Justice and Delinquency Prevention (OJJDP) Title II Formula Funds, there are additional reporting requirements and special conditions attached. Specifically, grantees receiving Title II funds must report their progress annually in the OJJDP Performance Measure Tool (PMT), an electronic data collection tool used to track specific OJJDP grant priorities.

PMT Description and Priority Indicators and Outcomes Tracked

Through PMT collection, OJJDP requests reporting on an annual basis related to program outcomes. Responses are required only to indicators relevant to your program. Some examples of outcomes reported in the PMT include:

- The number and percent of program youth who have exhibited a decrease in substance use during the reporting period, and 6-12 months after.

III. Criminal Justice, Community Corrections, and Reentry Funds

Purpose

The District of Columbia is committed to developing safer, stronger communities and supporting community corrections initiatives that provide a fair shot to justice-involved individuals. Accordingly, OVSJG seeks to fund programs that create community-based systems of care for juveniles and adults returning from correctional /juvenile facilities to ensure they are connected to the supports and resources needed for successful reintegration into their home communities. Additionally, OVSJG seeks to fund collaborative strategies for criminal justice system improvement through strategic planning, evaluation, technology and information sharing.

Strong applications will be able to demonstrate how their work accomplishes one or more of the following criminal justice and community corrections policy priorities:

Community Corrections and Reentry: OVSJG seeks to fund adult and juvenile reentry programs that address pre-and post-release supports for youth or adult populations returning from correctional /juvenile facilities. Proposals should include a comprehensive response to the challenges faced when individuals transition from prison, jail, or juvenile residential facilities to their home community. Strategies proposed should demonstrate a public health approach and outline how the applicant deploys trauma-informed care practices in the delivery of case management and support services.

- Provision of adequate staff training to successfully implement services for individuals involved in criminal justice system;
- Provision of supportive strategies designed to reduce barriers to employment;
- Capturing key indicators of individual progress; and
- Addressing access to health benefits for individuals involved in the criminal justice system.

Note: Personnel assigned to any proposed project, including applicant's staff and volunteers, must agree to complete mandated trainings required by District or Federal agencies to gain

access to secured facilities to be able to engage persons who are incarcerated.

Additionally, selected grantees may be required to report outcomes to the Bureau of Justice Assistance, Efforts to Outcomes reporting tool or other reporting management systems, as required by OVSJG.

Strategic Planning/ Program Evaluation/Technology and Information Sharing: OVSJG seeks to fund collaborative strategies for criminal justice system improvement through strategic planning, evaluation, technology and information sharing.

Strategies proposed must address at least one of the following:

- Planning and adoption of new services;
- Addressing gaps in District policies;
- Capacity building for information-sharing, justice information systems, and data collection; or
- Initiatives using technology to improve outcomes for specific target populations.

Applicants must be able to provide policy recommendations to encourage interagency collaboration and facilitate planning meetings with collaborators involved in addressing community corrections programs.

systems allowing access to secured, residential facilities must be in place.

Description of Advisory Groups

- (1) **Juvenile Delinquency (Prevention):** The Juvenile Justice Advisory Group (JJAG) spearheads the development of the District’s Juvenile Justice three-year statewide plan; advises the Mayor and DC Council on compliance with core requirements of the Juvenile Justice and Delinquency Prevention (JJDP) Act; obtains input from youth currently or formerly under the jurisdiction of the juvenile justice system; reviews and comments on juvenile justice grant proposals; and assists in monitoring all juvenile detention and correction facilities and community-based programs to ensure compliance with the JJDP act.

As a required by Title II, Part B, Section 223(a)(3) of the Juvenile Justice and Delinquency Prevention (OJJDP) Act of 1974, each state, US Territory and the District of Columbia that receives federal formula grants is required to establish a statewide advisory group. This statewide advisory group advises the Mayor, and where appropriate, other stakeholders on matters relevant to juvenile justice and delinquency prevention.

- (2) **Community Corrections (Reentry):** The DC Reentry Coalition (DCRC), consisting of agencies funded under this RFA. They serve as an advisory group to inform data-collections standards, policies and future direction of OVSJG-funded programs targeted to serve justice-involved individuals. In addition, DCRC agencies that are grantees of OVSJG closely collaborate with the Reentry Action Network (RAN) to build a coalition of service providers to work together in assisting returning citizens.

DCRC agencies provide “in-reach” and “out-reach” services to target specific population and may include case management plan to offer housing, educational, wraparound, legal or advocacy, mental health services to address issues among shared clients holistically. In FY 18, the development of an online database using Social Solutions Efforts to Outcomes (ETO) in partnership with a research partner allowed DCRC agencies to collect individual-level client data in a secure environment. DCRC agencies are expected to submit demographic associated with criminal justice involvement of individuals, internal and external need based referral for services, stated basic case needs, and needs met data to improve the capacity to collect high-quality performance measurement data for OVSJG grantees. OVSJG is focused on enabling grantees to identify core processes that all agencies shared, and to identify processes unique to each agency within DCRC. ETO management and data validation reports will allow agencies to streamline the work necessary to complete their mission and to eliminate redundant efforts. OVSJG will ensure that ETO licenses, training and helpdesk support are available for current and new grantees.
