*On March 11, 2025, the U.S. House of Representatives passed a Continuing Resolution that omitted the usual provision that allowed D.C. to spend under its local fiscal year (FY25) budget and reverted the District to spending under its previous FY24, which was roughly \$1 billion less. As a result, the District took significant steps to avoid the most severe cuts that would have directly impacted residents, businesses, and visitors.

In FY25, the PSCIP entered a program freezing that prevented it from issuing reimbursements or rebates for the rest of FY25 (September 30, 2025). Funding for this program is expected to resume at the beginning of FY26 (October 1, 2025)
