| 202             | 177                            | 405             | 202                            | 602             | 91                             | 707             | 40                             |
| 207             | 18                             | 406             | 131                            | 603             | 104                            | 708             | 43                             |
| 208             | 55                             | 407             | 383                            | 604             | 146                            |                 |                                |
| 302             | 206                            | 409             | 178                            | 607             | 58                             |                 |                                |
| 303             | 65                             | 501             | 292                            | 608             | 88                             |                 |                                |

**5. The number of rebates issued to residents, businesses, nonprofit and religious institutions.**

| <b>Property Type</b>  | <b>Rebates</b> |
|-----------------------|----------------|
| Resident              | 7,186          |
| Business              | 147            |
| Non-Profit            | 31             |
| Religious Institution | 26             |

**6. The number of times MPD requested footage from a Program recipient, and whether the request was granted or denied by the Program recipient.**

There were three documented requests for footage by MPD from program recipients that were successfully extracted. MPD detectives may also be in direct contact with a program recipient without that information being specifically tracked.

**7. The number of times that footage from a private security camera contributed to a successful arrest by MPD, including a breakdown by offense.**

There were two arrests made in which video footage was extracted from a security camera owned by a program participant. Both arrests were made in a homicide case. MPD detectives may have viewed footage that was obtained directly from the program participants without that information being specifically tracked.

**8. An analysis of the Program's implementation and plans for future expansion, if any.**

The program continues to be successful with no plans for future expansion.

\*As of August 1, 2016 all PSAs are eligible to apply for rebates. Prior to August 1, 2016 rebate applications from PSAs 101, 102, 201, 203, 204, 205, 206,301, 304, 306, 401, 408, 601, 605, and 606 were ineligible. Until September 1, 2017, voucher applications from PSAs 101, 102, 201, 203, 204, 205, 206,301, 304, 306, 401, 408, 601, 605, 606 and 607 are ineligible.

In January 2019, MPD realigned PSA boundaries. The data in this report reflects the PSA at the time of application.
